[Canadian Merchant Complaint Form](#)

Disclaimer: This section is applicable to Fortis Payment Systems, LLC ("Fortis")'s Canadian merchants. If you are a U.S. merchant, please contact the customer support team at 1-855-465-9999 for assistance and guidance.

In April 2015, amendments to the Code of Conduct for the Credit and Debit Card Industry (The Code of Conduct) by the Financial Consumer Agency of Canada (FCAC) were made. The changes require a clear dispute and resolution process, which provides for an investigation and a timely response for all complaints pertaining to the Code of Conduct. For more information, please visit <https://www.canada.ca/en/financial-consumer-agency/services/industry/laws-regulations/credit-debit-code-conduct.html>

In cooperation with the FCAC, Fortis has developed its complaint handling process as follows:

Step 1 – Initial Complaint

If a Merchant believes that Fortis' conduct may be contrary to any of the Merchant-Acquirer Policy Elements outlined in the Code of Conduct; the Merchant can file a complaint via the form above. **Please email the completed form and all other inquiries to canadasupport@fortispay.com**

Fortis will acknowledge the receipt of a Merchant's complaint within **five business days**, and our final response **within thirty working days**. This response will include:

- A summary of the complaint

- The result of the investigation
- Explanation of the final decision
- Information on how to further escalate the complaint.
- If we cannot provide a final response within thirty working days, we will inform the Merchant of a new expected response time.

Step 2 – Escalation

If a resolution cannot be achieved via Step 1, the Merchant is asked to escalate the issue with:
