PREFACE

Thank you for selecting us for your payment processing needs. Accepting numerous payment options provides a convenience to your customers, increases your customers' ability to make purchases at your establishment, and helps speed payment to your account.

Your Merchant Processing Application will indicate the types of payments and Services you have elected to accept. These Program Terms and Conditions (“**the Program Guide**”) presents terms governing the acceptance of Visa[®], Mastercard[®], and Discover[®] Network Credit Card and Non-PIN Debit Card payments, PayPal[®] in-store Card payments, American Express[®] Card transactions and applicable Non-Bank Services.

This Program Guide, your Merchant Processing Application and the schedules thereto (collectively, the “Agreement”), including, without limitation, the Interchange Qualification Matrix and American Express Program Pricing and one of the Interchange Schedules, as applicable to your pricing method as set forth in the Merchant Processing Application, contains the terms and conditions under which Processor and/or Bank and/or other third parties, will provide services. We will not accept any alterations or strike-outs to the Agreement and, if made, any such alterations or strike-outs shall not apply. Please read this Program Guide completely.

You acknowledge that certain Services referenced in the Agreement may not be available to you.

IMPORTANT INFORMATION ABOUT BANK’S RESPONSIBILITIES:

Discover Network Card Transactions, PayPal in-store Card Transactions, American Express Card Transactions and other Non-Bank Services are not provided to you by Bank, but are provided by Processor and/or third parties.

The provisions of this Agreement regarding Discover Network Card Transactions, PayPal in-store Card Transactions, American Express Card Transactions and other Non-Bank Services constitute an agreement solely between you and Processor and/or third parties. Bank is not a party to this Agreement insofar as it relates to Discover Network Card Transactions, PayPal in-store Card Transactions, American Express Card Transactions and other Non-Bank Services, and Bank is not responsible, and shall have no liability, to you in any way with respect to Discover Network Card Transactions, PayPal in-store Card Transactions, American Express Card Transactions and Non-Bank Services.

OTHER IMPORTANT INFORMATION:

Cards present risks of loss and non-payment that are different than those with other payment systems. In deciding to accept Cards, you should be aware that you are also accepting these risks.

Visa U.S.A., Inc. (“**Visa**”) Mastercard Worldwide (“**Mastercard**”), DFS Services LLC (“**Discover Network**”), PayPal, Inc. (“**PayPal**”) and American Express Company, Inc. (“**American Express**”) are payment card networks that electronically exchange Sales Drafts and Chargebacks for Card sales and Credits. Sales Drafts are electronically transferred from banks (in the case of Mastercard and Visa transactions) or network acquirers (in the case of Discover Network and PayPal in-store Card transactions) that acquire them from merchants such as yourself through the appropriate Card Organization, to the Issuers. These Issuers then bill their Cardholders for the transactions. The Card Organizations charge the Acquirers interchange fees, pricing and/or assessments for submitting transactions into their systems. A substantial portion of the Discount Rate or Transaction Fees that you pay will go toward these interchange fees, pricing and assessments.

In order to speed up the payment process, the Issuer transfers the funds back through the Card Organization to the Acquirer at approximately the same time that the Issuer receives the electronic Sales Drafts. Even though the payments under this system are made simultaneously, all payments made through the Card Organizations are conditional and subject to reversals and adjustments.

Each Card Organization has developed Card Organization Rules that govern their Acquirers and Issuers and the procedures, responsibilities and allocation of risk for this process. Merchants are also bound by Card Organization Rules and applicable laws and regulations. The Card Organization Rules and applicable laws and regulations give Cardholders and Issuers certain rights to dispute transactions, long after payment has been made to the merchant, including Chargeback rights.

We do not decide what transactions are charged back and we do not control the ultimate resolution of the Chargeback. While we can attempt to reverse a Chargeback to the Issuer, we can only do so if the Issuer agrees to accept it or the Card Organization requires the Issuer to do so after a formal appeal process. Sometimes, your customer may be able to successfully charge back a Card transaction even though you have provided your goods or services and are otherwise legally entitled to payment from your customer. While you may still be able to pursue claims directly against that customer, neither we nor the Issuer will be responsible for such transactions.

You will be responsible for all Chargebacks and adjustments associated with the transactions that you submit for processing.

Please refer to the Glossary for certain capitalized terms used in the Agreement, including this Preface (if not defined above).

Capitalized terms not otherwise defined in the Agreement may be found in the Card Organization Rules.

Please read the Program Guide in its entirety. It describes the terms under which we will provide merchant processing Services to you.

The following information summarizes portions of your Agreement in order to assist you in answering some of the questions we are most commonly asked.

2. We may debit your bank account (also referred to as your Settlement Account) from time to time for amounts owed to us under the Agreement.
3. There are many reasons why a Chargeback may occur. When they occur we will debit your settlement funds or Settlement Account. 4. In consideration of the Services provided by us, you shall be charged, and hereby agree to pay us any and all fees set forth in this Agreement (for the purpose of clarity, this includes the Application and any additional pricing supplements or subsequent communications), all of which shall be calculated and payable pursuant to the terms of this Agreement and any additional pricing supplements or subsequent communications. If you dispute any charge or funding, you must notify us within 60 days of the date of the statement where the charge or funding appears for Card Processing or within 30 days of the date of a TeleCheck transaction.
5. The Agreement limits our liability to you. For a detailed description of the limitation of liability see Section 28, 38.3, and 40.10 of the Card General Terms; or Section 18 of the TeleCheck Solutions Agreement.
6. We have assumed certain risks by agreeing to provide you with Card processing or check services. Accordingly, we may take certain actions to mitigate our risk, including termination of the Agreement, and/or hold monies otherwise payable to you (see Card Processing General Terms in Section 31, Term; Events of Default and Section 32, Reserve Account; Security Interest), (see TeleCheck Solutions Agreement in Section 7), under certain circumstances.
7. By executing this Agreement with us you are authorizing us and our Affiliates to obtain financial and credit information regarding your business and the signers and guarantors of the Agreement until all your obligations to us and our Affiliates are satisfied.
8. The Agreement contains a provision that in the event you terminate the Agreement prior to the expiration of your initial three (3) year term, you will be responsible for the payment of an early termination fee as set forth in Part IV, A.3 under "Additional Fee Information" and Section 17.2 of the TeleCheck Solutions Agreement.

Part I

The first step of a transaction begins before a customer even decides to make a purchase. This part of "Your Payments Acceptance Guide" reviews steps that you'll need to take to ensure customers are informed of their payment options and understand the terms of sale. You'll also find tips and important reminders for validating cards in order to reduce the risk of fraud. Finally, specific procedures for accepting debit and EBT payments are outlined. If you have questions about anything discussed in this guide, please contact Customer Service at the number located on your Merchant Services Statement.

I. Use of payments organizations' brands**DO'S**

- Do prominently display relevant trademarks of the payments organizations at each of your locations, in catalogs, on websites and on other promotional material
- Do only use the official trademarks of ours and of the payments organizations in the official format

DON'TS

- Don't indicate that we or any payment organization endorses your goods or services
- Don't use the trademarks of any payment organization after: Your right to accept the cards of that payment organization has ended; or that payment organization has notified you to stop using their trademarks
- Don't use the trademarks of ours or the payment organizations in any way that injures or diminishes the goodwill associated with the trademarks
- Don't use our trademarks or the trademarks of the payment organizations in any manner, including in any advertisements, displays or press releases, without our prior written consent

For special rules applying to the treatment of the American Express brand, please refer to Appendix 2.

2. Point-of-Sale (POS) reminders**You must clearly and conspicuously:**

- Disclose all material terms of sale prior to obtaining an authorization
- At all points of interaction inform cardholders which entity is making the sales offer, so that the cardholders can clearly distinguish you from any other party involved in the interaction
- Disclose any discount/incentive/surcharge for customers to pay with cash, check, credit card or debit card and so on. Any such discount/incentive must be offered to all customers with no special treatment for any card brand or card-issuing bank

If you accept orders through the internet, your website must include the following information in a prominent manner:

- Disclose the existence and amount of any Surcharge as a merchant fee and clearly alert consumers to the practice at the POS – in-store and online – and on every receipt
- A complete description of the goods or services offered
- Details of your: (i) delivery policy; (ii) consumer data privacy policy; (iii) cancellation policy and (iv) returns policy
- The transaction currency (U.S. dollars, unless permission is otherwise received from Servicers)
- The customer service contact, including email address and telephone number
- Your address, including country
- The transaction security used on your website
- Any applicable export or legal restrictions
- Your identity at all points of interaction with the cardholder

- The date on which any free trial period ends

If you limit refund/exchange terms or impose other specific conditions for card sales, you must clearly print (in 1/4" letters) the words "No Exchange, No Refund" on the sales draft. During a liquidation or closure of any of your outlets, locations or businesses, you must post signs clearly visible to customers stating that "All Sales Are Final," and stamp the sales draft with a notice that "All Sales Are Final."

3. Validating the cards**Transactions where the cardholder is present - Card Present (CP) transactions**

- You must check the card if the cardholder is present at the POS
- Verify that the card is legitimate and valid
- Verify that the card is not visibly altered or mutilated
- Capture card data using the POS device by swiping the card (magnetic stripe) tapping/waving the card (contactless) or inserting the card (chip card)
- Ensure that the cardholder enters their PIN using the keypad, if prompted or provides their signature unless you are participating in the 'No Signature Required' or PINless programs
- Verify the card's valid from date (if applicable) and the expiration date
- Verify that the card number and expiration date on the card are the same as on the transaction receipt and the number displayed on the POS device
- Verify that the name on the transaction receipt is the same as the name on the front of the card (if applicable)
- Ensure that the cardholder appears to be the person shown in the photograph (for cards with a photograph of the cardholder)

Transactions where the cardholder is not present - "Card-Not-Present" transactions

This section applies to any transaction where the cardholder is not present, such as mail, telephone, internet and eCommerce.

You may only conduct internet transactions if you have notified us in advance and received approval.

DO'S

- Do obtain the card account number, name as it appears on the card, expiration date of the card and the cardholder's statement address
- Do use the Address Verification Service (AVS). If you do not have AVS, contact Customer Service immediately
- Do clearly print the following on the sales draft and provide a copy to the cardholder at the time of delivery:
 - The last-four digits of the cardholder's account number
 - The date of transaction
 - A description of the goods and services
 - The amount of the transaction (including shipping, handling, insurance, and so on)
 - The cardholder's name, billing address and shipping address
 - The authorization code
 - Your name and address (city and state required)
- Do obtain proof of delivery of the goods or services to the address designated by the cardholder
- Do notify the cardholder of delivery time frames and special handling or cancellation policies
- Do ship goods within seven (7) days from the date on which authorization was obtained. If delays are incurred (for example, out of stock) after the order has been taken, notify the cardholder and obtain fresh authorization of the transaction
- Do use any separate merchant identification numbers provided to you for internet orders in all your requests for authorization and submission of charges
- Do provide at least one (1) month's prior written notice to your acquirer of any change in your internet address

DON'TS

- Don't exceed the percentage of your total payment card volume for Card-Not-Present sales, as set out in your application
- Don't submit a transaction for processing until after the goods have been shipped or the service has been provided to the cardholder – the only exception to this is where the goods have been manufactured to the cardholder's specifications and the cardholder has been advised of the billing details. Don't accept card account numbers by electronic mail
- Don't require a cardholder to complete a postcard or another document that displays the cardholder's account number in clear view when mailed or send any mailing to a cardholder that displays personal information in clear view

It is also recommended that, if feasible, you obtain and keep a copy on file of the cardholder's signature authorizing you to submit telephone and mail order transactions.

Address Verification Service (AVS) (and other fraud mitigation tools such as Verified by Visa, Mastercard Secure Code, Card Validation Codes and Card Identification) does not guarantee against chargebacks; but, if used properly, it assists you in reducing the risk of fraud by confirming whether certain elements of the billing address provided by your customer matches the billing address maintained by the card-issuing bank.

AVS also may help you avoid incurring additional interchange expenses. AVS is a separate process from obtaining an authorization and will provide a separate response. A transaction may be authorized regardless of the AVS response. It is your responsibility to monitor the AVS responses and use the information provided to avoid accepting high-risk transactions.

If a disputed charge arises for a transaction conducted over the internet or electronically, a chargeback may be exercised for the full amount.

For Discover Network transactions, please refer to Appendix 3 for the Discover Network protocol for internet transactions.

Customer-activated terminals and self-service terminals

Transactions processed at customer-activated terminals and self-service terminals have specific requirements for processing. You must contact Customer Service for approval and further instructions before conducting customer-activated terminal transactions or self-service terminal transactions.

4. Transaction guidelines

6. TransArmor® services

If you are receiving TransArmor services from us, the important DO's and DON'Ts listed below apply to you:

DO'S

- Do comply with the payments organization rules, including PCI DSS
- Do demonstrate and maintain your current PCI DSS compliance certification. Compliance must be validated either by a Qualified Security Assessor (QSA) with corresponding Report on Compliance (ROC) or by successful completion of the applicable PCI DSS Self-

Assessment Questionnaire (SAQ) or Report on Compliance (ROC), as applicable and if applicable to your business, passing quarterly network scans performed by an Approved Scan Vendor, all in accordance with payments organization rules and PCI DSS

- Do ensure that all third parties and software that you use for payment processing comply with PCI DSS
- Do deploy the data protection solution (including implementing any upgrades to such service within a commercially reasonable period of time after receipt of such upgrades) throughout your systems including replacing existing card numbers on your systems with tokens
- Do use the token in lieu of card numbers for ALL activities subsequent to receipt of the authorization response, including settlement processing, retrieval processing, chargeback and adjustment processing and transaction reviews
- Do ensure that any POS device, gateway or VAR is certified by us for use with the data protection solution. If you are uncertain whether your equipment is compliant, contact a customer service representative at 866-359-0978

- Do use truncated report viewing and data extract creation within reporting tools provided by us
- Do follow rules or procedures we may provide to you from time to time regarding your use of the data protection solution
- Do promptly notify us of a breach of any these terms

DON'TS

- Don't retain full card numbers, whether in electronic form or hard copy
- Don't use altered version(s) of the data protection solution
- Don't use, operate or combine the data protection solution or any related software, materials or documentation or any derivative works thereof with other products, materials or services in a manner inconsistent with the uses contemplated in this section

7. Debit cards

When accepting debit cards, you'll need to follow the specific requirements for each debit network, as well as, the general requirements set out in this section.

DO'S

- Do read the account number electronically from the magnetic stripe/chip for transactions authenticated with a PIN. If the magnetic stripe/chip is unreadable, you must request another form of payment from the cardholder

DON'TS

- Don't process a credit card transaction in order to provide a refund on a debit card transaction
- Don't complete a debit card transaction without:
 - Entry of the PIN by the cardholder (and no one else)
 - Signature by the cardholder (and no one else)

Unless the transaction is a "no-signature" signature debit transaction or a "PINless" PIN debit transaction specifically supported by the debit network:

- Don't accept the PIN from the cardholder verbally or in written form
- Don't manually enter the account number for PIN debit transactions. Signature debit transactions may be key entered if you are unable to swipe, dip, tap or wave the card

The debit network used to process your debit transaction will depend upon, among other things, our own business considerations, the availability of the debit network at the time of the transaction, and whether a particular debit card is enabled for a particular debit network.

The debit network used to route your transaction may or may not be the lowest cost network available. We may in our sole discretion:

- Use any debit network available to us for a given transaction (including any of our affiliated PIN debit networks)
- Add or remove debit networks available to you based on a variety of factors including availability, features, functionality and our own business considerations

YOU ARE RESPONSIBLE FOR SECURING YOUR POS DEVICES AND FOR IMPLEMENTING APPROPRIATE CONTROLS TO PREVENT EMPLOYEES OR OTHERS FROM SUBMITTING CREDITS AND VOIDS THAT DO NOT REFLECT BONA FIDE RETURNS OR REIMBURSEMENTS OF PRIOR TRANSACTIONS.

You may offer cash back to your customers when they make a PIN debit card purchase. You may set a minimum and maximum amount of cash back that you will allow. If you are not currently offering this service, your POS device may require additional programming to begin offering cash back as long as it is supported by the debit network.

You must reconcile your accounts for each location daily and notify us within 24 hours of any issues.

An adjustment is a transaction that is initiated to correct a debit card transaction that has been processed in error. For signature debit transactions (that is, "no-signature" debit transactions), the cardholder and card-issuing bank have the right to question or dispute a transaction. If these questions or disputes are not resolved, a chargeback may occur. You are responsible for all adjustment and chargeback fees that may be charged by a debit network.

An adjustment may be initiated for many reasons, including:

- The cardholder was charged an incorrect amount, whether too little or too much
- The cardholder was charged more than once for the same transaction
- A processing error may have occurred that caused the cardholder to be charged even though the transaction did not complete normally at the POS

- A cardholder is disputing the goods or services provided

All parties involved in processing adjustments and chargebacks are regulated by time frames that are specified in the operating rules of the applicable debit network, the Electronic Funds Transfer Act, Regulation E and other applicable law.

8. Electronic Benefit Transfer (EBT) transactions

We offer electronic interfaces to Electronic Benefit Transfer (EBT) networks for the processing, settlement and switching of EBT transactions initiated through the use of a state-issued EBT card at your POS terminal(s), so that EBT recipients may receive EBT benefits.

EBT benefits may comprise:

- United States Department of Agriculture, Food and Nutrition Service (FNS)
- Supplemental Nutrition Assistance Program (SNAP)
- Women, Infants and Children Benefits (WIC Benefits)
- Government delivered cash

If you accept EBT transactions or provide EBT benefits:

DON'TS

- Do provide EBT benefits to EBT recipients in accordance with applicable law and the procedures set out in the Quest rules, in the amount authorized through your terminal, upon presentation by an EBT recipient of an EBT card and such EBT recipient's entry of a valid PIN
- Do use POS Terminals, PIN pad and printer or other equipment that meets required standards (that is those set out in the Quest rules) during your normal business hours and in a manner consistent with your normal business practices
- Do comply with the procedures set out in the Quest rules for authorization of EBT benefits if your terminal fails to print EBT benefit issuance information as approved and validated as a legitimate transaction
- Do provide a receipt for each EBT transaction to the applicable EBT recipient
- Do provide EBT benefits for EBT recipients from all states
- Do notify us promptly if you plan to stop accepting EBT cards and providing EBT benefits or if you are unable to comply with this section or the Quest rules
- Do adequately display any applicable state's service marks or other licensed marks, including the Quest marks and other materials supplied by us in accordance with the standards set by the applicable state
- Do use any marks only to indicate that EBT benefits are issued at your location(s)
- Do maintain adequate cash on hand to issue EBT service provider authorized cash benefits
- Do issue cash benefits to EBT recipients in the same manner and to the same extent that cash is provided to your other customers

DON'TS

- Don't accept EBT cards or provide EBT benefits at any time other than in compliance with this section or the Quest rules
- Don't designate and direct EBT recipients to special checkout lanes restricted to use by EBT recipients unless you also designate and direct other customers to special checkout lanes for debit cards, credit cards or other payment methods such as checks other than cash
- Don't resubmit any EBT card transaction, except as specifically permitted by the applicable Quest rules and procedures
- Don't accept any EBT card for any purpose other than providing EBT benefits, including without limitation accepting an EBT card as security for repayment of any EBT recipient obligation to you. If you violate this requirement, you will be obligated to reimburse the state or us for any EBT benefits unlawfully received by either you or an EBT recipient to the extent permitted by law
- Don't dispense cash for FNS, SNAP and WIC Benefits
- Don't disclose individually identifiable information relating to an EBT recipient or applicant for EBT benefits without prior written approval of the applicable state
- Don't use the marks of any EBT service provider without prior written approval from such EBT service provider
- Don't indicate that we, any state or its EBT service provider endorse your goods or services
- Don't require or in your advertising suggest, that any EBT recipient must purchase goods or services from you as a condition to receiving cash benefits, unless such condition applies to other customers as well

You must take sole responsibility for the provision of any EBT benefits other than in accordance with authorizations received from the EBT service provider.

If an authorized terminal is not working or the EBT system is not available:

DON'TS

- Do manually accept EBT cards and manually provide EBT benefits in the amount authorized through the applicable EBT service provider to the EBT recipients at no cost to the EBT recipients upon presentation by an EBT recipient of their EBT card
- Do obtain an authorization number for the amount of the purchase from the applicable EBT service provider while the respective EBT recipient is present and before you provide the EBT recipient with any FNS, SNAP and WIC benefits or cash benefits, as applicable
- Do properly and legibly enter the specified EBT recipient, clerk and sales information, including the telephone authorization number, on the manual sales draft
- Do clear all manual vouchers authorizations on your POS terminal within fourteen (14) days after the date of applicable voice authorization. If a voucher expires before it has been cleared by your terminal for payment, no further action can be taken to obtain payment for the voucher

DON'TS

- Don't attempt to voice authorize a manual EBT transaction if the EBT recipient is not present to sign the voucher. The EBT recipient must sign the voucher. You must give a copy of the voucher to the EBT recipient at the time of authorization and retain one copy for your records
- Don't resubmit a manual sales draft for payment for a transaction if you have not received an authorization number
- Don't mail vouchers requesting payment

You must take sole responsibility for (and you will not be reimbursed in respect of) a manual transaction, if you fail to obtain an authorization number from the applicable EBT service provider in accordance with this section or otherwise fail to process the manual transaction in accordance with the Quest rules, except as specifically provided in the Quest rules.

9. Surcharging requirements

A "Surcharge" is an additional fee that you add to relevant transactions as permitted by Card Organization Rules and applicable laws (together, "Applicable Laws"). Merchants must receive prior approval from Processor before assessing a Surcharge.

If you participate in Surcharging the following terms and conditions apply:

DON'TS

- Provide notice to the merchant's acquirer/card brands before beginning to Surcharge, as applicable based on card brand rules
- Disclose the existence and amount of any Surcharges on a stand-alone basis in locations that the consumer is likely to see prior to committing to a transaction, including: signs or postings, webpages, advertising materials; catalogues or menus
- Provide disclosures that are prominent and easily visible to customers
 - Place disclosures prominently on websites and the information should appear, at a minimum, before proceeding to checkout, in addition to other pages
 - If a POS register is being used for the transaction, the sign should be located near the register such that a customer would see it prior to initiating the checkout process
 - On a sign prominently near an entrance or other high-traffic part of the facility
 - On a receipt, the disclosure must be broken out as its own line item, showing a dollar amount and how the dollar amount is added in the total cost
- Use the word "Surcharge" to describe the fee, accurately reflect the reason for the Surcharge and describe it as a Surcharge you are assessing for accepting relevant transactions as permitted by Applicable Laws
- If the Surcharge is calculated as a percentage of the transaction amount, clearly disclose in writing the dollar and cents amount of the Surcharge prior to processing the charge. In the context of a card not present transaction, the dollar amount of the Surcharge must be disclosed prior to processing the transaction
- Provide full refunds for the exact dollar amount of the original transaction including tax, handling charges, Surcharges
- For partial refunds relating to Surcharge transactions, the Surcharge amount must be prorated

DON'TS

- Do not Surcharge for debit, prepaid card or other transactions as prohibited by Applicable Laws
- Do not Surcharge on debit card transactions for which the cardholder using a debit card chooses "credit" on the POS terminal
- Do not characterize the Surcharge in a way that suggests it is not being imposed by the business itself (such as calling it "mandatory") or that it is being imposed solely to cover credit card costs

This part of the “Your Payments Acceptance Guide” reviews essential elements of a transaction, including authorizations, issuing refunds and exchanges and handling special transactions like recurring payments. You'll also find information about chargebacks and processes to put in place to avoid chargebacks. Feel free to contact Customer Service with any questions that arise as you review this information.

10. Authorizations

General

- You must obtain an authorization approval code from us for all transactions
- A positive authorization response remains valid for the time frame set out in Section 20
- An authorization approval code only indicates the availability of funds on an account at the time the authorization is requested. It does not indicate that the person presenting the card is the rightful cardholder, nor is it a promise or guarantee that you will not be subject to a chargeback or adjustment
- You must not attempt to obtain an authorization approval code from anyone other than us, unless we have authorized you to use a third-party authorization system as set out in Section 10. An authorization approval code from any other source may not be valid
- If you use Address Verification Services (AVS), you must review the AVS response separately from the authorization response and make your own decision about whether to accept the transaction. A transaction may receive an authorization approval code from the card-issuing bank even if AVS is unavailable or reflects that the address provided to you does not match the billing address on file at the card-issuing bank
- If you receive a referral response to an attempted authorization, you must not:
 - submit the transaction without calling for and receiving a voice authorization
 - attempt another authorization on the same card through your POS device
- You must not attempt to obtain multiple authorizations for a single transaction. If a sale is declined, do not take alternative measures with the same card to obtain an approval of the sale from other authorization sources. Instead, request another form of payment
- If you fail to obtain an authorization approval code or if you submit a card transaction after receiving a decline (even if a subsequent authorization attempt results in an authorization approval code), your transaction may result in a chargeback and it may be assessed fines or fees by the payment organizations for which you will be responsible. Fees currently range from \$25 to \$150 per transaction
- You will be charged for a request for an authorization approval code (where applicable), whether or not the transaction is approved
- For Card Present transactions, it is highly recommended that you use your electronic authorization device to swipe (magnetic stripe), tap/wave (contactless) or insert (chip) cards

Card Not Present transactions

It is highly recommended that you obtain the three-digit card verification code on the back of the card (or the four-digit verification code on the front of American Express cards) and that you include this code with each CNP authorization request unless the transaction is a recurring transaction.

For recurring transactions, submit the card verification code only with the first authorization request and not with subsequent authorization requests.

For American Express CNP transactions, please also refer to Appendix 2.

For Discover Network CNP transactions, please also refer to Appendix 3.

PayPal does not allow CNP transactions.

Authorization through telephone (other than terminal/electronic device users)

- You must call your designated Voice Authorization Toll-Free Number and enter the authorization information into the VRU using a touch-tone phone or hold for an authorization representative
- If the Voice Authorization Center asks you to obtain identification from the cardholder before issuing an approval code, you must clearly write the appropriate identification source and numbers in the space provided on the sales draft
- If the Voice Authorization Center asks you to confiscate a card, do not take any action that will alarm or embarrass the card presenter and send the card to Rewards Department, P.O. Box 5019, Hagerstown, MD 21740. You may be paid a reward for the return of the card
- If the sale is declined, please remember that our operators are only relaying a message from the card-issuing bank. The fact that a sale has been declined must not be interpreted as a reflection of the cardholder's creditworthiness. You must instruct the cardholder to call the card-issuing bank

Authorization through electronic devices

- If you use an electronic terminal to obtain authorization approval codes, you must obtain the authorization approval codes for all sales through this equipment
- If your terminal malfunctions, please refer to your “Quick Reference Guide” or call the POS Help Desk. Please remember to check your terminal periodically because most terminal problems are temporary in nature and are quickly corrected

- If a terminal is moved or if wires are disconnected, causing malfunction, call the POS Help Desk immediately and follow their instructions. You may be responsible for any service charges incurred for reactivation of the terminal
- Until the terminal becomes operable, you must call your designated Voice Authorization Toll-Free Number and enter authorization information into the VRU using a touch-tone phone

Third party authorization systems

If you have contracted to use one of our authorization services, you must not use another third-party authorization system without notifying Customer Service. Otherwise, we will be unable to successfully research and defend any authorization related chargebacks on your behalf. This delay will significantly decrease your time to research and provide proof of authorization, thus reducing your opportunity to reverse a chargeback.

If you use another authorization network:

- You will be responsible for the downgrade of any transactions to a higher cost interchange that result from any mismatch of information to our systems and those of third-party authorization networks
- Liability resulting from discrepancies with that network must be resolved between you and that network. We will not research chargebacks resulting from authorization approval codes obtained from another authorization service organization. Such chargebacks will be passed through to you for resolution. If an authorization provided by a third-party authorization system is challenged in a chargeback, you must obtain proof (for example, third-party authorization logs) from the authorization source and submit it to us within the time frame specified on the chargeback documentation.

Call the following for other card types, each of which is available 24 hours/day; 7 days/week:

American Express Direct	1-800-528-2121
JCB, International (For YEN and CAD currency only)	1-800-522-9345
TeleCheck	1-800-366-5010
Voyager	1-800-987-6589
WEX	1-800-842-0071

You must enter manually all approved sales that have been authorized in this manner as “post authorization” transactions into the terminal, once the terminal becomes operational. You must enter all credit transactions into the terminal for data capture. If you receive a referral and subsequently receive an approval, you may be subject to a chargeback.

For specific procedures on electronic data capture, refer to the “Terminal Operating Instructions/Users Guide.” If the terminal malfunctions for more than twenty-four (24) hours, contact Customer Service for further instructions on processing your transactions.

Automated dispensing machines

You must produce records for all transactions originating with automated dispensing machines or limited-amount terminals. Such records must include the last four-digits of the cardholder account number, merchant's name, terminal location, transaction date, identification of transaction currency, transaction type (purchase), authorization code and amount.

For Discover Network transactions, please refer to Appendix 3 for instructions on how to cancel an authorization.

For PayPal transactions, please refer to Appendix 4 for instructions on how to cancel an authorization.

Partial authorization and authorization reversal

Partial authorization provides an alternative to a declined transaction by permitting a card-issuing bank to return an authorization approval for a partial amount. This amount is less than the transaction amount requested because the available card balance is not sufficient to approve the transaction in full. The cardholder is able to use the funds remaining on the card to pay for a portion of the purchase and select another form of payment (in other words, another payment card, cash and check) for the remaining balance of the transaction.

- For Discover transactions, partial authorization support is optional for CNP transactions. If you support partial authorizations, a partial authorization indicator must be included in each authorization request

You must submit an authorization reversal if the authorization is no longer needed, a partial amount of the total authorized is submitted for the settled transaction or the cardholder elects not to complete the purchase. The transaction sent for settlement must be no more than the amount approved in the partial authorization response. If you wish to support partial authorization functionality, you must contact Customer Service for additional rules and requirements.

11. Special types of transactions

Payment by installments

If a cardholder makes a deposit toward the full amount of the sale price and pays the balance on delivery, please follow the procedures set out in this section.

DO'S

- Do execute two separate sales drafts and obtain an authorization for each sales draft on each transaction date
- Do indicate on each sales draft:

- Whether it is for the deposit or the balance of payment
- The authorization date and approval code
- Do submit and seek authorization of each delayed delivery transaction under the same merchant identification number and treat deposits on the card no differently than you treat deposits on all other payment products
- Do complete Address Verification for each “balance” authorization
- Do obtain proof of delivery upon delivery of the services/merchandise purchased

DON'TS

- Don't submit sales data to us relating to the “balance” until the goods have been completely delivered or the services fully provided

If delivery occurs after the time frames set out in Section 20, you must obtain a new authorization for the unprocessed portion of the transaction prior to delivery. If the transaction is declined, contact the cardholder and request another form of payment.

For example: On January 1, a cardholder orders \$2,200 worth of furniture and you receive an authorization for the full amount; however, only a \$200 deposit is processed leaving a \$2,000 balance remaining on the furniture. An authorization reversal must be processed for \$2,000. When the goods are available to ship, the \$2,000 transaction balance must be reauthorized.

Advance payment charges

If you permit or require cardholders to make advance payment charges for the following types of goods or services, please follow the procedures set out in this section:

- Custom orders (for example, orders for goods to be manufactured to a customer's specifications)
- Ticketing for events or entertainment (for example, sporting events or concerts)
- Tuition, room, board and other mandatory fees (for example, library or other students services fees at universities)
- Tickets for airlines, rail lines, cruise lines, lodging and other travel-related services (for example, tours or guided expeditions)
- Vehicle rentals
- In-store merchandise not immediately available (for example, merchandise prepurchased for an upcoming sale event or merchandise on layaway)

For all advance payment transactions:

- Do state your full cancellation and refund policies
- Do clearly disclose your intention to receive advance payment
- Before you request an authorization, do obtain written consent from the cardholder to bill the card for an advance payment charge

The cardholder's consent must include: (1) a detailed description of the goods or services to be provided and (2) his or her agreement to all of the terms of the sale (including price, any cancellation or refund policies) and the expected delivery date of the goods or services

- Do obtain an authorization approval
- Do complete a sales draft

If you cannot deliver the goods or services (for example, because custom-ordered merchandise cannot be fulfilled) and cannot make other arrangements, do immediately issue a credit for the full amount of the advance payment charge

For CNP transactions involving an advance payment:

- Do ensure that the sales draft contains the words “Advance Payment”
- Within twenty-four (24) hours of the advance charge being authorized, do provide the cardholder with written confirmation (for example, by email or facsimile) that advance payment charge has been made, the written confirmation must include (1) a detailed description of the goods or services to be provided; (2) the amount of the charge; (3) the confirmation number (if applicable); (4) the details of any cancellation or refund policies; and (5) the expected delivery date of the goods or services

Recurring transactions

If you process recurring transactions and charge a cardholder's account periodically for goods or services (for example, yearly subscriptions, annual membership fees and so on), please follow the procedures set out in this section.

DO'S

- Do obtain cardholder approval for such goods or services to be charged on an ongoing basis to the cardholder's account. Approval must at least specify:
 - The cardholder's name, address, account number and expiration date
 - The transaction amounts
 - The timing or frequency of recurring charges
 - The duration of time for which the cardholder's approval is granted
 - For Discover Network and PayPal transactions, the total amount of recurring charges to be billed to the cardholder's account, (that is taxes and tips) and your merchant identification number
- Do obtain an authorization for each transaction
- At least 7 days before a recurring transaction, notify the cardholder through email or other agreed method of communication if any of the following:
 - A trial period, introductory offer or promotional period is going to end. Include in the communication the transaction amount and transaction date of subsequent recurring

transactions and a link or other simple mechanism to enable the cardholder to easily cancel transactions online or through SMS/text message

- Do include the recurring payment indicator in each authorization request, and as applicable, each batch submission entry
- Do indicate on the sales draft “Recurring Transaction” (or “P.O.” for Mastercard transactions)
- For Discover Network and PayPal recurring transactions, do include a toll-free customer service number that the cardholder can call to cancel his/her approval for the recurring transaction

DON'TS

- Don't include partial payments for goods or services purchased in a single transaction
- Don't impose a finance charge in connection with the recurring transaction or preauthorized order
- Don't complete a recurring transaction after receiving a cancellation notice from the cardholder or card-issuing bank or after a request for authorization has been denied
- Don't store a payment credential if either the first payment transaction or account verification is declined

It is highly recommended that you obtain the three-digit card verification code on the back of the card (or the four-digit verification code on the front of American Express cards), include the number with the first authorization request. This is not required for subsequent authorization requests.

A positive authorization response for one recurring transaction is not a guarantee that any future recurring transaction authorization request will be approved or paid.

If the recurring transaction is renewed, you must obtain from the cardholder a new written request for the continuation of such goods or services to be charged to the cardholder's account.

If you or we have terminated your right to accept cards, you must not submit authorization requests or sales data for recurring transactions that are due after the date of such termination.

For American Express transactions, please also see Appendix 2.

Stored payment credential transactions

If you store information (including, but not limited to, an account number or payment token) to process future purchases on behalf of the cardholder, follow the procedures set out in this section.

DO'S

- Do include the appropriate data values when a payment credential is being stored for the first time
- Do include the appropriate data values when a payment credential is being used to initiate a stored credential transaction
- Do include the appropriate data values when a payment credential is being used to identify an unscheduled credentials on file transaction
- Do submit a valid authorization if an amount is due at the time the payment credential is being stored
- Do submit an authorization verification if no payment is due at the time the payment credential is being stored

DON'TS

- Don't store a payment credential, if either the first payment transaction or account verification is declined

Card checks

If you accept card checks, you must treat checks from all the payment organizations that you accept equally (for example, if you accept Mastercard and American Express, your check acceptance policy must treat checks for both of these payment organizations equally). You should handle these card checks like any other personal check drawn upon a bank in the United States.

12. Sales Drafts

DO'S

- Do prepare a sales draft for each transaction and provide a copy of the sales draft or transaction receipt to the cardholder at the time the card transaction is completed; an exception is eligible transactions participating in any of the 'No Signature Required' programs
- Do only collect transaction data provided directly to you by the cardholder
- Do include all of the following information on a single page document constituting the sales draft:
 - The cardholder's account number
 - Cardholder's signature, unless you participate in any of the 'No Signature Required' programs. For the 'No Signature Required' programs, Visa, Mastercard, Discover and American Express does not require you to obtain signatures at the POS for credit or debit transactions unless required by law
 - Date of the transaction
 - The total amount of the transaction, including any taxes to be collected, in the approved currency of the sale

- Description of the goods or services involved in the transaction—if there are too many items, combine them into one description; (for example, “clothing”) to ensure that all information is contained on a single page
- Description of your merchandise return and credit/refund policy
- A valid authorization code
- Merchant’s Doing Business As (“D/B/A”) name and location (city and state required) and merchant identification number. The merchant identification number is optional but if provided for Discover, include only the last-four digits

DON'TS

- Don’t include the card expiration date or any more than the last-four digits of the card number in the copy of the sales draft which you provide to the cardholder
- If you are EMV®-enabled, you may elect to participate in the ‘No Signature Required’ programs. For the ‘No Signature Required’ programs, you are not required to:
 - Provide a transaction receipt, unless requested by the cardholder
 - Obtain the cardholder’s signature provided you transmit the full track data/full chip card data in the authorization request regardless of the sale amount

13. Refunds

DO'S

- Do obtain an authorization on refund transactions. For American Express transactions, please refer to Appendix 2
- Do provide clear instructions to your customers regarding returns, including the following:
 - Customer service telephone number
 - Reference number for the return
 - Expected processing time for the credit
 - Return address, preferably on a preformatted shipping label (if applicable)
- Do document your cancellation policy and terms and conditions on the contract the cardholder signs or on your website, as applicable
- Do create a credit draft containing the following information for every refund:
 - The account number
 - The cardholder’s name
 - Your name, city, state and merchant identification number
 - The Merchant identification number is optional but if provided for Discover, only include the last-four digits
 - Transaction type
 - A description of the goods or services
 - The transaction date of the credit; the total amount of the credit
 - For Discover Network transactions, the approved currency used and the signature of your authorized representative or employee
 - For PayPal transactions, the approved currency used and the signature of your authorized representative or employee
- Do submit all credit drafts to us within the timeframes set out in Section 19
- Do submit each credit under the establishment where the credit originated
- Do provide full refunds for the exact dollar amount of the original transaction including tax, handling charges, Surcharges and so on and under no circumstances provide a refund amount for more than the original card sale amount
- For partial refunds relating to Surcharge transactions, the Surcharge amount must be prorated
- Do write clearly all amounts and other handwritten information – stray marks on the credit draft will render it illegible
- Do ensure that the cardholder signs the credit draft, give the cardholder the appropriate copy and deposit the credit draft immediately

DON'TS

- Don’t circle or underline any information on the credit draft
- Don’t credit an account that differs from the account used for the original transaction
- Don’t include the card expiration date or any more than the last four-digits of the card number in the copy of the credit draft which you provide to the cardholder
- Don’t give cash, check, credit refunds or other consideration for card sales, with the exception of the following:
 - If the card used to make the purchase is not available or the refund transaction authorization request is declined
 - Visa Easy Payment Service Transaction or if EMV-enabled and participating in Visa’s “No Signature Required” program
 - The recipient of the gift is not the cardholder
 - Visa prepaid card transaction if the cardholder states that the Visa prepaid card has been discarded
- Don’t intentionally submit a sale and an offsetting credit at a later date solely for the purpose of debiting and crediting your own or a customer’s account
- Don’t process a credit transaction after a chargeback has been received

Your website must communicate your refund policy to your customers and require your customers to select a “click-to-accept” or another affirmative button to acknowledge the policy. The terms and conditions of the purchase must be displayed on the same screen view as the checkout screen that presents the total purchase amount or within the sequence of website pages the cardholder accesses during the checkout process.

For American Express transactions, please also refer to Appendix 2.

14. Exchanges

For an even exchange, no additional paperwork is necessary and you may simply follow your standard company policy.

For an uneven exchange, you must complete a credit draft and follow the procedures outlined in Section 12 for the total amount of goods returned. The cardholder’s account will be credited for that amount. Then, complete a new sales draft for the total amount of any new goods purchased.

15. Chargebacks, retrievals and other debits

Chargebacks

Both the cardholder and the card-issuing bank have the right to question or dispute a transaction. If such questions or disputes are not resolved, a chargeback may occur. You are responsible for all chargebacks, our chargeback fees and related costs arising from your transactions. As a result, we will debit your settlement account or settlement funds for the amount of each chargeback.

Due to the short time frames and the supporting documentation necessary to successfully (and permanently) reverse a chargeback in your favor, we strongly recommend that:

- You adhere to the guidelines and procedures outlined in this guide
- If you do receive a chargeback, investigate and if you dispute the chargeback, submit the appropriate documentation within the required time frame
- Whenever possible, contact the cardholder directly to resolve the dispute (except with respect to a Discover Network cardholder with whom direct contact regarding the dispute is prohibited by Discover Network Card Organization Rules)
- If you have any questions, call Customer Service

You must not process a credit transaction once a chargeback is received, even with cardholder authorization, as the credits may not be recoverable and you may be financially responsible for the credit as well as the chargeback. Instead, the card-issuing bank will credit the cardholder’s account.

Chargeback process

If the card-issuing bank submits a chargeback, we will send you a chargeback notification, which may also include a request for transaction documentation. Due to the short time requirements imposed by the payment organizations, it is important that you respond to a chargeback notification and transaction documentation request within the time frame set out in the notification.

Upon receipt of a transaction documentation request, you must immediately retrieve the requested sales draft(s) using the following guidelines:

- Make a legible copy, centered on 8-1/2 x 11-inch paper (only one (1) sales draft per page)
- Write the ‘case number’ from the request for transaction documentation on each copy/page
- If applicable, make copies of a hotel folio, car rental agreement, mail/phone/internet order form or other form of receipt
- If a credit transaction has been processed, make a copy of the credit draft
- Letters are not acceptable substitutes for sales drafts
- Fax or mail legible copies of the sales draft(s) and credit drafts, if applicable, to the fax number or mail address provided on the request form
- If you fax your response, please (i) set your fax machine to print your fax number and name on the documents that you send and (ii) set the scan resolution on your fax machine to the highest setting. We can use this information to help determine where the documentation received originated from if additional research is required and the higher resolution setting improves the clarity of characters and graphics on the documentation transmitted and helps reduce the number of illegible fulfillments and chargebacks

We strongly recommend that you also include a detailed rebuttal letter along with all pertinent documents when responding to a transaction request or a chargeback notification (for example, rental agreement, the portion signed by the cardholder; and the area where the authorization codes, with amounts and dates, are located).

If the information you provide is both timely and, in our sole discretion, sufficient to warrant a re-presentment of the transaction or reversal of the chargeback, we will do so on your behalf. However, a re-presentment or reversal is ultimately contingent upon the card-issuing bank and/ or cardholder accepting the transaction under applicable payment organization guidelines. Re-presentment or reversal is not a guarantee that the chargeback has been resolved in your favor.

If we do not receive a clear, legible and complete copy of the transaction documentation within the time frame specified on the request, you may be subject to a chargeback for “non-receipt” for which there is no recourse.

If you do not dispute the chargeback within the applicable time limits as set by the payment organization rules and regulations, you will forfeit your reversal rights. Our only alternative, which is available for Visa and Mastercard only, is to attempt a “good faith collection” from the card-issuing bank on your behalf for non-fraud chargeback reason codes. This process

can take up to six (6) months and must meet the card-issuing bank's criteria (for example, at or above a set dollar amount). Good faith collection attempts are not a guarantee that any funds will be collected on your behalf. Card-issuing banks normally charge good faith collection fees, which are deducted from the transaction amount if accepted in addition to any processing fees that are charged by us.

The card-issuing bank may charge a handling fee which will be debited from your settlement account or settlement funds if a transaction documentation request results from a discrepancy between the sales draft and the transmitted record regarding any of the following:

- The name of your business
- The city, state, or country listed for your business
- The transaction date

Visa: If we reverse the chargeback and re-present the transaction to the card-issuing bank, the card-issuing bank, at its sole discretion, may elect to submit the matter for arbitration before Visa. Visa currently charges a filing fee and a review fee. Whether or not a decision is made in your favor, you will be responsible for all such fees and charges and any other applicable fees and charges imposed by Visa. Such fees and charges will be debited from your settlement account or settlement funds, in addition to the chargeback.

STAR®: If we reverse the chargeback and re-present the transaction to the card-issuing bank, the card-issuing bank, at its sole discretion, may elect to submit the matter for arbitration before STAR. Whether or not a decision is made in your favor, you will be responsible for all fees and charges relating to that arbitration and any other applicable fees and charges imposed by STAR. Such fees and charges will be debited from your settlement account or settlement funds, in addition to the chargeback.

Mastercard: If we reverse the chargeback and re-present the transaction to the card-issuing bank, the card-issuing bank, at its sole discretion, may elect to resubmit the chargeback. In such an event, at our discretion, we will debit your settlement account or settlement funds for the chargeback. However, if you feel strongly that it is an invalid chargeback, we may, on your behalf and at your request, submit the matter for arbitration before Mastercard. Mastercard currently charges a filing fee and a review fee. Whether or not a decision is made in your favor, you will be responsible for all such fees and charges and any other charges imposed by Mastercard. Such fees and charges will be debited from your settlement account or settlement funds, in addition to the chargeback.

Discover Network: If Discover Network rejects our re-presentation request and you feel strongly that the chargeback is invalid, we may, at our discretion and on your behalf and at your request, submit the matter for dispute arbitration before Discover Network. Discover Network charges acquirers fees for re-presentation requests and matters submitted to Discover Network for arbitration. We, in turn, may charge you fees for these items.

PayPal: If PayPal rejects our re-presentation request and you feel strongly that the chargeback is invalid, we may, at our discretion and on your behalf and at your request, submit the matter for dispute arbitration before PayPal. PayPal charges acquirers fees for re-presentation requests and matters submitted to PayPal for arbitration. We, in turn, may charge you fees for these items.

American Express: You may request a chargeback reversal if the chargeback was applied in error, provided that (i) you have responded to the original inquiry within the specified time frame set out in your dispute notification and (ii) you have provided all supporting documentation to substantiate the error.

Chargeback reasons

The following section outlines the most common types of chargebacks. This list is not exhaustive. Within each group, we have included recommendations on how to reduce the risk of chargebacks. These are recommendations only, and do not guarantee that you will eliminate chargebacks.

Chargebacks due to authorization

Description

Proper authorization procedures were not followed and valid authorization was not obtained.

Likely scenario

- Authorization not obtained
- Authorization was declined
- Transaction processed with an expired card and authorization was not obtained
- Transaction processed with an invalid account number and authorization was not obtained
- Card Recovery Bulletin (CRB) or Exception File was not checked (transactions below floor limit)

Recommendations to reduce the risk of chargeback

- Obtain valid authorization on the day of the transaction
- If you receive the following responses:
 - Decline - Request another form of payment from the cardholder
 - Referral - Follow the voice procedures to obtain a valid authorization and obtain an imprint of the card
 - "Pick-up" - Means that the card-issuing bank is asking for the card to be returned - you must not accept the card for payment and, in addition, you may retain the card and send it to us so that we can arrange for its return to the card-issuing bank

- You must not exceed any predetermined thresholds for specific POS device types as specified by each payments organization
- You must ship goods within the timeframe set out in Section 20, after you have obtained authorization

Chargebacks due to cancellation and returns

Description

- Credit was not processed properly or the cardholder has canceled or returned items

Likely scenario

- Cardholder received damaged or defective merchandise
- Cardholder continued to be billed for canceled recurring transaction
- Credit transaction was not processed

Recommendations to reduce risk of chargeback

- Issue credit to the cardholder on the same account as the purchase in a timely manner
- Do not issue credit to the cardholder in the form of cash, check or in-store/merchandise credit as we may not be able to recoup your funds if the transaction is charged back
- For recurring transactions ensure customers are fully aware of the conditions:
 - Cancel recurring transactions as soon as notification is received from the cardholder or as a chargeback, and issue the appropriate credit as needed to the cardholder in a timely manner
 - Notify the cardholder within 10 days (domestic) and 15 days (international) in advance of each billing, to allow the cardholder time to cancel the transaction

 - eCommerce, provide disclosure on your website on the same page as check out. Require the cardholder to click to accept prior to completion

 - For any Travel and Entertainment (T&E) transaction, provide cancellation numbers to cardholders when the services are canceled
 - Ensure delivery of the merchandise or services ordered to the cardholder

Chargebacks due to fraud

Description

Transactions that the cardholder claims are unauthorized; the account number is no longer in use or is fictitious or the merchant was identified as "high risk."

NOTE: For Visa transactions, to ensure that you preserve your chargeback rights, you must:

- Complete a retrieval request and provide a sales slip that contains all required data elements
- Respond to all retrieval requests with a clear legible copy of the transaction document that contains all required data elements within the specified timeframe

Likely scenario

- Multiple transactions were completed with a single card without the cardholder's permission
- A counterfeit card was used and proper acceptance procedures were not followed
- Authorization was obtained; however, full track data was not transmitted
- The cardholder states that they did not authorize or participate in the transaction

Recommendations to reduce the risk of chargeback Card Present Transactions:

- Obtain an authorization for all transactions
- For recurring transactions ensure customers are fully aware of the conditions:
 - Cancel recurring transactions as soon as notification is received from the cardholder or as a chargeback and issue the appropriate credit as needed to the cardholder in a timely manner
 - Notify the cardholder within 10 days (domestic) and 15 days (international) in advance of each billing, allowing the cardholder time to cancel the transaction
 - American Express customers have the option to receive written notification of the recurring transaction at least (10) days prior to submitting or any time the charge amount exceeds a maximum amount that has been set by the cardholder
- If you are utilizing an electronic device to capture card data, swipe, dip or wave all card transactions through your electronic authorization device to capture cardholder information. When applicable, ensure the displayed cardholder number matches the number on the card
- You should avoid keying the card data into your electronic authorization device unless you are unable to capture the card data through one of the above methods. If you do key the card data into your electronic authorization device, it is highly recommended that you also key in the three or four digit verification code

If you are not participating in the "No Signature Required" program:

- Obtain the cardholder signature for all transactions; ensure the signature on the sales draft matches the signature on the back of the card

- Process all transactions one time and do not batch out transactions multiple times
- Educate staff on procedures to eliminate point of sale (POS) fraud

CNP Transactions:

- Ensure delivery of the merchandise or services ordered to the cardholder
- Participate in recommended fraud mitigation tools:
 - Verified by Visa Program
 - Mastercard SecureCode
 - Address Verification Services (AVS)
 - Use of card verification code

NOTE: While transactions utilizing these tools may still be disputed, the service may assist you with your decision to accept certain cards for payment.

- Ensure you ship to the AVS confirmed address (bill to and ship to must match)
- Obtain authorization for all transactions
- Ensure merchant descriptor matches the name of the business and is displayed correctly on the cardholder statement
- Ensure descriptor includes correct business address and a valid customer service number
- Please refer to Appendix 2 for American Express fraud mitigation tools

Likely scenario

- Services were not provided or merchandise was not received by the cardholder
- Cardholder was charged prior to merchandise being shipped or merchandise was not received by agreed upon delivery date or location
- Cardholder received merchandise that was defective, damaged, or unsuited for the purpose sold, or did not match the description on the transaction documentation/verbal description presented at the time of purchase
- Cardholder paid with an alternate means and their card was also billed for the same transaction
- Cardholder canceled service or merchandise and their card was billed
- Cardholder billed for a transaction that was not part of the original transaction document
- Cardholder claims to have been sold counterfeit goods
- Cardholder claims the merchant misrepresented the terms of sale

Recommendations to reduce the risk of chargeback

- Provide Services or Merchandise as agreed upon and described to the cardholder; clearly indicate the expected delivery date on the sales receipt or invoice
- Contact the cardholder in writing if the merchandise or service cannot be provided or is delayed and offer the cardholder the option to cancel if your internal policies allow
- If the cardholder received defective merchandise or the merchandise received was not as described; resolve the issue with the cardholder at first contact
- If the merchandise is being picked up by the cardholder, have them sign for the merchandise after inspecting that it was received in good condition
- Do not charge the cardholder until the merchandise has been shipped, according to the agreed upon terms and a signed Proof of Delivery from the cardholder is obtained
- If unable to provide services or merchandise, issue a credit to the cardholder in a timely manner
- Accept only one form of payment per transaction and ensure the cardholder is only billed once per transaction
- Do not bill cardholder for loss, theft or damages unless authorized by the cardholder
- Ensure that a description of the service or merchandise provided is clearly defined

Chargebacks due to processing errors

Description

Error was made when transaction was processed or it was billed incorrectly.

Likely scenario

- The transaction was not deposited within the payment organization specified time frame
- The cardholder was issued a credit draft, however, the transaction was processed as a sale
- The transaction was to be processed in a currency other than the currency used to settle the transaction
- The account number or transaction amount used in the transaction was incorrectly entered
- A single transaction was processed more than once to the cardholder's account
- The cardholder initially presented the card as payment for the transaction, however, the cardholder decided to use an alternate form of payment
- A limited amount or self-service terminal transaction was processed for an amount over the predetermined limit

Recommendations to reduce the risk of chargeback

- Process all transactions within the payment organization specified time frames
- Ensure all transactions are processed accurately and only one time

- If a transaction was processed more than once, immediately issue voids, transaction reversals or credits
- Ensure that credit transaction receipts are processed as credits and sale transaction receipts are processed as sales
- Ensure all transactions receive a valid authorization approval code prior to processing the transaction and obtain a legible magnetic swiped, dipped, tapped or waved sales draft that is signed
- Do not alter transaction documentation or make any adjustments unless the cardholder has been contacted and agrees to modifications of the transaction amount
- Ensure limited amount, self-service and automated fuel dispenser terminals are set properly to conform to the predetermined limits

Chargebacks due to non-receipt of information

Description

Failure to respond to a retrieval request or the cardholder does not recognize the transaction.

Likely scenario

- The transaction documentation was not provided to fulfill the retrieval request
- The retrieval request was fulfilled with an illegible sales draft or was an invalid fulfillment (incorrect sales draft or the sales draft did not contain required information that may include signature if you are not participating in the "No Signature Required" program)
- The cardholder does not recognize or is unfamiliar with the transaction due to the merchant name or location not matching the name or location where the transaction took place

Recommendations to reduce such risk of chargeback

- Provide a clear and legible copy of the sales draft that contains all required data elements within the required time frame that is specified on the retrieval request
- Ensure that the most recognizable merchant name, location and customer service phone number is provided on all transactions
- Retain copies of all transaction documentation for the required time frame that is specified by each payment organization
- Develop efficient methods to retrieve transaction documentation to maximize ability to fulfill requests

16. Suspect/Fraudulent transactions

If the card being presented or the behavior of the person presenting the card appears to be suspicious or you otherwise suspect fraud, you must immediately call the Voice Authorization Center and ask to speak to a Code 10 operator. Answer all their questions and follow their instructions.

While not proof that a transaction is fraudulent, the following are some suggestions to assist you in preventing fraudulent transactions that could result in a chargeback:

Does the cardholder:

- Appear nervous/agitated/hurried?
- Appear to be making indiscriminate purchases (for example, does not care how much an item costs, the size and so on)?
- Make purchases substantially greater than your usual customer (for example, your average transaction is \$60, but this transaction is for \$360)?
- Insist on taking the merchandise immediately (for example, no matter how difficult it is to handle, is not interested in free delivery, alterations and so on)?
- Appear to be purchasing an unusual amount of expensive items or the same items?
- Take an unusual amount of time to sign the sales draft or look at the back of the card as he signs?
- Take the card from a pocket instead of a wallet?
- Repeatedly come back, in a short amount of time or right before closing time, to make additional purchases?
- Cause an unusual, sudden increase in the number and average sales transactions over a one to three day period?
- Tell you he has been having some problems with his card-issuing bank and request that you call a number that he provides) for "special" handling or authorization?
- Have a previous history of disputed charges?
- Place orders to be shipped to an address other than the billing address or use anonymous/free email domains?
- Place orders sent to ZIP codes or countries where you show a history of fraudulent claims?

Does the card:

- Have characters the same size, height, style and all within alignment?
- Appear to be re-embossed (the original numbers or letters may be detected on the back of the card)?
- Have a damaged hologram?
- Have a Magnetic Stripe on the back on the card?
- Have "valid from" (effective) and "valid thru" (expiration) dates consistent with the sale date?

We also recommend that you are vigilant for any cardholder who behaves as follows, specifically in relation to prepaid cards:

- Frequently makes purchases and then returns the goods for cash
- Uses prepaid cards to purchase other prepaid cards
- Uses large numbers of prepaid cards to make purchases

Gift Cards, jewelry, video, stereo, computer and camera equipment, shoes and men's clothing are typically fraud-prone because they can easily be resold. Also be suspicious of high dollar amounts and transactions with more than one fraud-prone item, (for example, two laptops, three gold chains and so on).

Preauthorization for Travel & Entertainment (T&E) and restaurant merchants

If you are a business engaged in providing travel and entertainment services (for example, car rentals, hotels, motels and so on) or a restaurant business and engage in the practice of "preauthorization" you must comply with the following general procedures:

- A hotel, motel or car rental merchant may obtain an estimated authorization at the time of check-in
- Restaurants must not add an estimated tip amount to the authorization request beyond the value of the goods provided or services rendered, plus any applicable tax
- You must notify the cardholder of the dollar amount you intend to "preauthorize"
- If the customer decides to use another form of payment (for example, cash, check and so on) you must promptly call the Voice Authorization Response Unit to delete the authorization hold. Provide the cardholder's account number original dollar amount and date of the transaction and the authorization code. If a new transaction takes place, a new signed sales draft for the exact amount and a new authorization code for that amount must be obtained.
- Vehicle rental providers may not include potential vehicle damage or insurance deductibles in any preauthorizations
- If you receive a decline on a transaction, you must wait twenty-four (24) hours before attempting to reauthorize. If you reauthorize prior to this time frame and receive an approval, you may be subject to a chargeback and a fine imposed by the payment organizations

- Hotels, motels and car rental merchants are allowed up to a 15 percent variance above the amount authorized. If the final amount charged to the cardholder exceeds the original estimate by more than 15 percent above the preauthorization, you must authorize any additional amounts and all incremental authorization codes must be written in the authorization area along with the date of authorization and the amount authorized
- Preauthorization for certain establishments' services, are allowed up to a 20 percent (instead of 15 percent) variance above the amount authorized. If the final amount exceeds the amount "preauthorized" by more than 20 percent, you must authorize the additional amount. Estimating the authorization amount to include a tip is prohibited. The authorization request must include only the amount associated with the bill presented to your customer
- You must obtain an authorization for the initial estimated charges and then monitor the charges to ensure that the actual charges made do not exceed the estimated charges. If the actual charges exceed the amount of the initial estimated authorization (and any subsequent estimated authorizations), then you must secure a positive authorization for the additional amount. Subsequent authorizations must only be for the additional amount of total charges and must not include any amounts already authorized
- The estimated amount of any preauthorization for lodging accommodations must be based on:
 - The intended length of stay
 - The room rate
 - Applicable taxes and service charges
 - Other miscellaneous charges as dictated by experience
- If an authorization request is declined, no charges occurring after that date will be accepted for that cardholder
- You do not need to obtain a final authorization if the total sum of charges (the final amount) does not exceed 20 percent of the previously authorized charges. You must record the dates, authorized amounts and their respective authorization approval codes on the sales draft(s)

Merchants operating vending machines

For Mastercard, if you are operating vending machines under MCC 5499 (Miscellaneous Food Stores – Convenience Stores, Markets and Specialty Stores), you need not provide a receipt at the time a transaction is conducted. However, if a vending machine cannot provide a printed receipt, you must disclose and post instructions advising cardholders how a receipt may be obtained.

Telecommunication service providers

You must contact Customer Service for approval and further instructions, rules and requirements before conducting telecommunication transactions.

- Telecommunication card sales occur when a telephone service provider is paid directly using a card for individual local or long-distance telephone calls, with the exception that prepaid telephone service cards are not and do not give rise to telecommunication card sales.

The petroleum industry

For Visa, Mastercard, STAR, American Express, Discover and PayPal transactions, merchants operating in the petroleum industry that conduct card sales at Automated Fuel Dispensers (AFDs), may submit an card authorization request for \$1 to verify the validity of the presented. Under such circumstances, you must submit an authorization advice message for the actual amount of the card sale within sixty (60) minutes of completion of fuel delivery regardless of whether you previously received a partial authorization response or a positive authorization response for any other amount. If you do not complete the card sale following receipt of an approved authorization response for any amount, a request to cancel the authorization request must be submitted within sixty (60) minutes of the completion of fuel delivery.

APPENDIX 2 ADDITIONAL PROVISIONS FOR AMERICAN EXPRESS TRANSACTIONS

For merchants participating in the American Express OptBlue® Program, you should review the operating guide made available to you at americanexpress.com/merchantopguide.

Treatment of the American Express marks

Whenever payment methods are communicated to customers or when customers ask what payments are accepted, you must indicate your acceptance of the American Express card and display the American Express marks (including any card application forms provided to you) as prominently and in the same manner as any other payment products.

You must not use the American Express marks in any way that injures or diminishes the goodwill associated with the mark, nor (without our prior written consent) indicate that American Express endorses your goods or services.

You must only use the American Express marks as permitted. You must cease using the American Express marks upon termination of your acceptance of American Express cards.

For additional guidelines on the use of the American Express marks, please contact Customer Service.

Treatment of American Express cardholder information

Any and all cardholder information is confidential and the sole property of the card-issuing bank, American Express or its affiliates. Except as otherwise specified, you must not disclose cardholder information, nor use nor store it, other than to facilitate transactions at your establishments in accordance with the terms on which you are authorized to accept American Express cards.

Authorization for CNP transactions

If you process a CNP transaction you must obtain the following information:

- The card number
- The card expiration date
- The cardholder's name as it appears on the card
- The cardholder's billing address
- The delivery address if different from the billing address. In addition, for internet transactions you must:
 - Use any separate merchant identification numbers (Seller ID) established for your internet orders in all of your requests for authorization and Submission of charges
 - Provide us with at least one (1) month's prior written notice of any change in your internet address
 - Comply with any additional requirements that American Express provides from time to time

American Express has the right to chargeback for any CNP transaction that the cardholder denies making or authorizing. However, American Express will not chargeback for any CNP transaction based solely upon a claim by a cardholder that he or she did not receive the disputed goods if you have:

- Verified the address to which the goods were shipped was the cardholder's full billing address
- Provided proof of delivery signed by the cardholder or an authorized signer of the card indicating the delivery of the goods or services to the cardholder's full billing address

American Express will not be liable for actual or alleged fraudulent transactions over the internet and will have the right to chargeback for those charges.

If a disputed transaction arises involving a CNP transaction that is an internet electronic delivery transaction, American Express may exercise a chargeback for the full amount of the transaction and place you in any of its chargeback programs.

Charge records (also known as 'sales drafts')

For each transaction submitted:

- Electronically - you must create an electronically reproducible charge record
- On paper (under extraordinary circumstances only) – you must create a charge record containing all of the following required data:
 - Full card number and expiration date and if available, cardholder name
 - The date the transaction was incurred
 - The amount of the transaction, which must be the total price for the purchase of goods and services (plus applicable taxes and gratuities) purchased on the card
 - The authorization approval
 - A clear description of the goods and services purchased by the cardholder
 - The words "No Refunds" if you have a no refund policy and your return and cancellation policies
 - The cardholder's signature (if a CP transaction and you are not participating in the "No Signature Required" program) or the words "telephone order," "mail order," "internet Order," or "signature on file," as applicable (if a CNP transaction)

In the charge record (and a copy of the customer's receipt) you must:

- Include your return and cancellation policies
- Mask truncated card number digits with replacement characters such as "x," "*" or "#," and not blank spaces or numbers

If the cardholder wants to use more than one card for payment of a purchase, you may create a separate charge record for each card used. However, if the cardholder is using a single card for payment of a purchase, you must not divide the purchase into more than one transaction and you must not create more than one charge record.

Refunds

To issue a refund you must:

- Compare the last four-digits on the charge record against the card presented (when applicable)
- Issue the credit in the currency in which the original transaction was submitted to us
- Issue the credit to the card used to make the original purchase. If the credit is for the return of a gift by someone other than the cardholder who made the original purchase, you must apply your usual refund policy

If the cardholder indicates that the card on which the purchase was originally made is no longer active or available:

- For all cards except prepaid cards – advise the cardholder that you must issue the credit to that card; and if the cardholder has questions, advise him or her to call the customer service number on the back of the card in question
- For prepaid cards – apply your usual refund policy for returns

In the credit draft delivered to the cardholder, you must mask truncated card number digits with replacement characters such as "x," "*" or "#," and not blank spaces or numbers.

Your refund policy for card transactions must be at least as favorable as your refund policy for purchases made with other payment products or other payment methods.

If you issue a credit, American Express will not refund the discount or any other fees or assessments previously applied to the corresponding transaction. The discount on chargebacks will not be refunded.

Fraud mitigation tools

American Express offers fraud mitigation tools for CP and CNP transactions to help verify that a transaction is valid. These tools help you mitigate the risk of fraud at the POS, but are not a guarantee that a transaction is, in fact, valid or bona fide or that you will not be subject to a chargeback. For optimal use of the tools, please visit American Express' Fraud Prevention Information at: americanexpress.com/fraudinfo.

Recurring transactions

For recurring transactions, you must offer the cardholder the option to receive written notification for the recurring transaction(s) at least (10) ten days prior to submitting or any time the transaction amount exceeds a maximum amount that has been set by the cardholder. You must clearly and conspicuously disclose all material terms of the option, including, if applicable, the fact that recurring billing will continue until the option is canceled by the cardholder. If the material terms of the option change after submission of the first recurring transaction, you must promptly notify the cardholder in writing of such change and obtain the cardholder's express written consent to the new terms prior to submitting another recurring transaction.

For recurring transactions you must:

- Periodically verify with cardholders that their information (for example, card number, expiration date and billing address) is still accurate. This will improve the likelihood of obtaining approval for an authorization request

- Retain evidence of consent to receive updated card account information from the card-issuing bank for twenty-four (24) months from the date you submit the last recurring transaction
- Ensure that your process for cancellation of recurring transactions is simple and expeditious
- Within twenty-four (24) hours of incurring the first recurring billing transaction, provide the cardholder written confirmation (for example, email or facsimile) of such transaction, including all material terms of the option and details of your cancellation/refund policy

If your recurring transaction amounts vary, you must offer the cardholder the right to receive written notification of the amount and date of each recurring transaction:

- At least ten (10) days before submitting each transaction
- Whenever the amount of the transaction exceeds a maximum recurring transaction amount specified by the cardholder

For more information about processing prepaid cards:

- Call the customer service number on the back of the card in question
- See American Express Card Organization Rules regarding “additional authorization requirements”

No Signature Required Program

You may participate in the ‘No Signature Required’ program under which you are not required to request a signature from cardholders on the transaction record provided that:

- Your business is classified in an industry that accepts in-person charges, with the exception of the following categories:
 - Merchants who do not conduct in-person charges (that is, internet, mail order or telephone order)
 - Prohibited merchants or prohibited transactions (or both) as defined in American Express Card Organization Rules regarding “risk evaluation”
 - High-risk Merchants (for example, internet electronic services or nightclubs/lounges) as defined in American Express Card Organization Rules regarding “high-risk merchants”
 - Merchants placed in our Fraud Full Recourse Program. See American Express Card Organization Rules regarding “chargeback programs”
- In relation to the transaction:
 - The transaction amount must meet the threshold established in American Express’ country-specific policy
 - The transaction must include the appropriate indicator to reflect that the card and the Cardholder were present at the POS
 - The transaction must include a valid approval

Under the American Express ‘No Signature Required’ program, chargebacks will not be exercised for such charges based solely on your failure to obtain the cardholder’s signature at the POS.

If a disproportionate number of disputed charges under the ‘No Signature Required’ program occur, you must cooperate to reduce the number of disputed charges. If such efforts fail, you may be placed in American Express chargeback programs or your participation in the ‘No Signature Required’ program may be modified or terminated.

Travelers cheques

Travelers cheques are available in various denominations and currencies. The denominations in U.S. dollars range from \$20 to \$1,000.

You must exercise caution when presented with a travelers cheque in a denomination of \$500 or greater. The higher denominated travelers cheques are rarely sold and so more likely to be counterfeit.

To accept a travelers cheque, watch your customer countersign in the lower-left corner of the travelers cheque and compare the countersignature to the signature in the upper left corner of the travelers cheque.

- If the signature and countersignature are a reasonable match (they look alike, but may not be identical), you may accept the cheque and there is no need to obtain any identification
- If you suspect that the countersignature may be false or you did not watch the customer countersign, ask your customer to turn the cheque over and sign again across the left-hand side (in the same manner one typically endorses a check); then take the cheque and fold up the bottom right-hand corner so that you can compare the original signature with the new one
- If the signatures are not the same or you have any questions regarding the validity of the cheque, call Customer Service
- If you suspect that the travelers cheque may be fraudulent, verify that the cheque is authentic by:
 - Performing the smudge test. Turn the cheque over (non-signature side). Wipe a moistened finger across the denomination
 - On the right side of the cheque, the ink should not smudge
 - On the left side of the cheque, the ink should smudge
 - Obtaining online Authorization at americanexpress.com/verifyamextc.

You are not required to obtain authorization before accepting a travelers cheque.

High Charge Volume (CV) Merchants

You acknowledge that you will be converted from the American Express U.S. Enhanced Acquisition Program to a direct card acceptance relationship with American Express if and when you become a “High CV Merchant” in accordance with the American Express Card Organization Rules. As part of this acknowledgment, you agree that upon conversion: (i) You will be bound by American Express’ then-current agreement for card acceptance; and (ii) American Express will set pricing and other fees payable by you for card acceptance.

A “High CV Merchant” is a Program Merchant with Estimated Annual Charge Volume (ECV) of greater than (i) United States currency (USD) \$1,000,000 in the United States excluding Puerto Rico and the U.S. Virgin Islands or (ii) USD \$1,000,000 in Puerto Rico and the U.S. Virgin Islands. Where a Program Merchant Prospect has more than one Establishment, then the ECV of (i) all Establishments operated under the same tax identification number (TIN) in a region shall be aggregated or all Establishments operating under different TINs but as a unified business enterprise in a region shall be aggregated. For clarification purposes, a ‘unified business enterprise’ shall include Establishments that are owned, operated or affiliated to a single business entity.

Marketing Opt-Outs

You agree that when providing your contact information to us that you may receive messages from American Express, including important information about American Express products, services and resources available to your business. These messages may be sent to the phone numbers, email addresses or fax numbers that you provide. If you provide a wireless phone number, you agree that you may be contacted at that number and the communications sent may include auto-dialed short message service (SMS or “text”) messages or automated or pre-recorded calls. If you provide a fax number, you agree that you may be sent fax communications. American Express may otherwise use and share your information for business purposes and as permitted by applicable law. American Express uses reasonable administrative, technical and physical security measures to protect your information consistent with the sensitivity of the information.

You may opt-out of newsletters or messages about products, services and resources for different forms of communications by contacting us, through inbound telephone, email, facsimile, website and any other means identified by us or by exercising the opt-out options that may be described or offered in emails, SMS messages, faxes or other communications. If you opt-out, you may still receive messages from American Express regarding services and programs designed to enhance the value of the American Express Network.

Protecting American Express Card Member Information

These merchant data security requirements apply to all of your equipment, systems and networks on which encryption keys, cardholder data and/or sensitive authentication data are stored, processed or transmitted.

Standards for protection of cardholder data and sensitive authentication data

You must and you must ensure that all of your employees, agents, representatives, subcontractors, processors, service providers, providers of POS equipment or systems or payment processing solutions and any other party to whom you may provide card member information access, will:

- Store American Express cardholder data only to facilitate transactions for your acceptance of American Express cards
- Comply with the current version of the PCI DSS, no later than the effective date for implementing that version
- Use, when deploying new or replacement PIN-entry devices or payment applications (or both), only those that are PCI-approved

You must protect all charge records and credit records retained in accordance with these data security provisions. You must use these records only for purposes of your acceptance of American Express cards and you must safeguard the records accordingly.

Data incidents

If you discover a data incident, you must:

- Notify us immediately and in no case later than twenty-four (24) hours after such discovery
- Conduct a thorough forensic investigation of each data incident; this must be conducted by a PCI forensic investigator (PFI) if the data incident involves 10,000 or more unique card numbers (or otherwise at our request)
- Promptly provide to us all compromised card numbers and the forensic investigation report of the data incident
- Work with us to rectify any issues arising from the data incident, including consulting with us about your communications to card members affected by the data incident and providing (and obtaining any waivers necessary to provide) to us all relevant information to verify your ability to prevent future data incidents
- At our request, provide validation by a qualified security assessor (QSA) that the deficiencies have been remediated

Forensic investigation reports must:

- Include forensic reviews, reports on compliance and all other information related to the data incident
- Identify the cause of the data incident
- Confirm whether or not you were in compliance with the PCI DSS at the time of the data incident

- Verify your ability to prevent future data incidents by providing a plan for remediating all PCI DSS deficiencies

American Express has the right to disclose information about any data incident to card members, issuers, other participants on the American Express network and the general public as required by applicable law, by judicial, administrative or regulatory order, decree, subpoena, request or other process; in order to mitigate the risk of fraud or other harm; or otherwise to the extent appropriate to operate the American Express network.

Periodic validation of your systems

You must take steps to validate under PCI DSS annually and quarterly the status of your equipment, systems and networks (and their components) on which cardholder data and sensitive authentication data are stored, processed or transmitted.

Step 1 - Enroll in a Compliance Program

You must submit applicable periodic validation documentation to us. Please contact us for more information regarding data security compliance requirements.

Step 2 - Determine Merchant Level and Validation Requirements

Most merchant levels are based on the volume of transactions submitted by establishments. You will fall into one of the merchant levels specified in the following table:

Merchant Level	Definition	Validation documentation	Requirement
1	2.5 Million transactions or more per year; or any merchant that American Express otherwise deems a Level 1 merchant	Annual onsite security assessment report and quarterly network scan	Mandatory
2	50,000 to 2.5 Million transactions per year	Annual Self-Assessment Questionnaire (SAQ) and quarterly network scan	Mandatory
3	Less than 50,000 transactions per year	Annual SAQ and quarterly network scan	Strongly recommended
3*	Less than 50,000 transactions per year and designated a Level 3 merchant by American Express	Annual SAQ and quarterly network scan	Mandatory

*As designated by American Express.

American Express may require certain Level 3 merchants to enroll in American Express' compliance program. Such merchants must enroll no later than ninety (90) days following receipt of such notice from us. All other Level 3 merchants need not submit validation documentation, but must comply with all other provisions of these data security provisions.

The validation documentation which you must send to us is as follows:

Annual onsite security assessment	Annual self-assessment questionnaire	Quarterly network scans
This is a detailed onsite examination of your equipment, systems, and networks (and their components) where cardholder data or sensitive authentication data (or both) are stored, processed, or transmitted. You must: <ul style="list-style-type: none"> • Ensure that the annual onsite security assessment is performed by (i) a QSA or (ii) you and certified by your chief executive officer, chief financial officer, chief information security officer or principal • Submit the AOC section of the SAQ annually to us and include copies of the full SAQ upon request • Ensure that the AOC certifies compliance with all requirements of the PCI DSS 	This is a process using the PCI DSS Self-Assessment Questionnaire (SAQ) that allows self-examination of your equipment, systems and networks (and their components) where cardholder data or sensitive authentication data (or both) are stored, processed or transmitted. You must: <ul style="list-style-type: none"> • Ensure that the SAQ is performed by you and certified by your chief executive officer, chief financial officer, chief information security officer or principal • Submit the AOC section of the SAQ annually to us and include copies of the full SAQ upon request • Ensure that the AOC of the SAQ certifies compliance with all requirements of the PCI DSS 	The quarterly network scan is a process that remotely tests your internet-connected computer networks and web servers for potential weaknesses and vulnerabilities. You must: <ul style="list-style-type: none"> • Ensure that the quarterly network scan is performed by an Approved Scanning Vendor (ASV) • Complete and submit the ASV scan report attestation of scan compliance (AOSC) or executive summary of findings of the scan (and copies of the full scan, on request) quarterly to us • Ensure that the AOSC or executive summary certifies that (i) the results satisfy the PCI DSS scanning procedures, (ii) no high-risk issues are identified, (iii) the scan is passing or compliant

Step 3 - Send the validation documentation to participant

Compliance and validation are completed at your expense. By submitting validation documentation to us, you represent and warrant to us that you are authorized to disclose the information contained in it and are providing the validation documentation without violating any other party's rights.

Merchants not compliant with PCI DSS

If you are not compliant with the PCI DSS, then you must:

- Complete and submit an AOC including "Part 4. Action Plan for Non-Compliant Status" to us
- Designate a remediation date, not to exceed twelve (12) months following the date of the AOC, for achieving compliance
- Provide us with periodic updates of your progress toward remediation under the "Action Plan for Non-Compliant Status"

Non-validation fees and termination of right to accept cards

We have the right to impose non-validation fees on you and terminate your right to accept cards if you do not fulfill these requirements or fails to provide the mandatory validation documentation to us by the applicable deadline.

We will notify you separately of the applicable deadline for each annual and quarterly reporting period. If we do not receive your mandatory validation documentation, then we have the right to terminate your right to accept cards and to impose non-validation fees on you.

Periodic validation of level EMV® merchants

Your merchant level may be classified as EMV if you submit 50,000 (or more) American Express card transactions per year, of which at least 75 percent (75%) are made by the card member with the physical card present at a POS system compliant with EMV specifications and capable of processing contact and contactless transactions on a chip-enabled device.

If you are classified as merchant-level EMV, you may submit the annual EMV attestation (AEA) instead of other validation documentation, in which case you must submit the AEA annually to us. Even if you fall into merchant Level 1 or 2, if you are classified as merchant-level EMV, you only need to submit the AEA and not the other merchant Level 1 and 2 validation documentation.

The AEA involves a process using PCI DSS requirements that allows self-examination of your equipment, systems and networks (and their components) where cardholder data or sensitive authentication data (or both) are stored, processed or transmitted.

The AEA must:

- Be performed by you
- Be certified by your chief executive officer, chief financial officer, chief information security officer or principal
- Certify that you meet the requirements for merchant-level EMV

If a transaction fails to qualify for your anticipated interchange levels or you inadvertently or intentionally accept a transaction other than the type anticipated for your account (including a different Card type), then, as applicable to your pricing method, you will be charged a higher interchange, Discount Rate or Non-Qualified Interchange Fee, as well as any applicable surcharge for that transaction, all as further described in Section A.3 of Part IV of this Agreement and in the Application. With respect to inadvertent or intentional acceptance of a transaction other than the type anticipated for your account (including a different Card type), you will also be subject to payment to us of our then-current transaction fee(s) with respect to such Card and/or transaction and be liable, obligated and responsible under this Agreement for any such transaction to the same extent as you would be if it was of a Card type elected and approved.

For more information on Visa's and Mastercard's interchange rates, please go to www.visa.com and www.mastercard.com.

26.2. All authorization fees will be charged for each transaction that you attempt to authorize. All capture fees will be charged for each transaction that you transmit to us for settlement. If you are being billed a combined fee for both the authorization and capture of a transaction, the authorization and capture must be submitted as a single transaction, otherwise the authorization and the capture will each be charged separately. You are responsible for utilizing software or services that will correctly submit these transactions to achieve the combined billing.

26.3. The fees for Services set forth in this Agreement are based upon assumptions associated with the anticipated annual volume and average transaction size for all Services as set forth in this Agreement and your method of doing business. If the actual volume or average transaction size are not as expected or if you significantly alter your method of doing business, we may adjust your discount fee and transaction fees without prior notice.

26.4. The fees for Services set forth in this Agreement may be adjusted to reflect increases, or new fees imposed by Card Organizations, including without limitation, interchange, assessments and other Card Organization fees, or to pass through increases or new fees charged to us by other Persons related to the Services. All such adjustments shall be your responsibility to pay and shall become effective upon the date any such change or addition is implemented by the applicable Card Organization or other Person as specified in our notice to you.

26.5. Subject to Section 31.3, we may also increase our fees or add new fees for Services for any reason at any time, by notifying you thirty (30) days' prior to the effective date of any such change or addition.

To the extent the Automated Clearing House ("ACH") settlement process is used to effect debits or credits to your Settlement Account, you agree to be bound by the terms of the operating rules of the National Automated Clearing House Association, as in effect from time to time. You hereby authorize us to initiate credit and debit entries and adjustments to your account through the ACH network and/or through direct instructions to the financial institution where your Settlement Account is maintained for amounts due under this Agreement and under any agreements with us or our respective Affiliates for any products or services, as well as for any credit entries in error. You hereby authorize the financial institution where your Settlement Account is maintained to effect all such debits and credits to your account. This authority will remain in full force and effect until we have given written notice to the financial institution where your Settlement Account is maintained that all monies due under this Agreement and under any other agreements with us or our respective Affiliates for any products or services have been paid in full. You are solely responsible to inform us in writing if you want any fees or other adjustments to be debited from an account other than your Settlement Account.

26.8. You agree to pay any fines imposed on us by any Card Organization resulting from Chargebacks and all fees, fines and other charges imposed on us by a Card Organization with respect to your acts or omissions. You are also responsible for all fees, fines, and other charges imposed on us as a result of acts or omissions by your agents or third parties.

26.9. If your Chargeback percentage for any line of business exceeds the estimated industry Chargeback percentage, you shall, in addition to the Chargeback fees and any applicable Chargeback handling fees or fines, pay us an excessive Chargeback fee for all Chargebacks occurring in such month in such line(s) of business. Each estimated industry Chargeback percentage is subject to change from time to time by us in order to reflect changes in the industry Chargeback percentages reported by Visa, Mastercard, American Express, Discover Network, or PayPal. Your Chargeback Percentage will be calculated as the larger of (a) the total Visa, Mastercard, American Express, Discover Network and PayPal Chargeback items in any line of business in any calendar month divided by the number of Visa, Mastercard, American Express, Discover Network and PayPal transactions in that line of business submitted that month, or (b) the total dollar amount of Visa, Mastercard,

American Express, Discover Network and PayPal Chargebacks in any line of business received in any calendar month divided by the total dollar amount of your Visa, Mastercard, American Express, Discover Network and PayPal transactions in that line of business submitted in that month.

26.10. In the event the State of Washington charges us business and occupation tax on the fees or amounts imposed by Card Organizations, interchange, and any other fees or assessments passed through to us associated with or charged to your transactions ("**Pass-Through Fees**"), you will pay us an additional monthly fee equal to the then-current rate of that tax multiplied by all Pass-Through Fees for all of your locations in Washington State for that month.

26.11. You agree to promptly and carefully review your merchants statements or other documents provided or made available to you (physically, electronically or otherwise provided by Us or others) reflecting Card transaction activity, including, activity in your Settlement Account. If you believe any adjustments should be made with respect to your Settlement Account, you must notify us in writing within sixty (60) days after any debit or credit is or should have been effected or such shorter period as provided in the terms and conditions that govern such account. If you notify us after sixty (60) days, we shall have no obligation to investigate or effect any adjustments. Any voluntary efforts by us to assist you in investigating such matters shall not create any obligation to continue such investigation or any future investigation.

26.12. If you do not pay us all fees and any other amounts due under this Agreement within thirty (30) days of the date of our merchant statement or other statement setting forth the amount due, then we may, in our sole discretion, charge you interest, for such time that the amount and all accrued interest remain outstanding at the lesser of (i) 12% APR, or (ii) the maximum rate permitted by applicable law.

26.13. Other Debits. We may also debit your Settlement Account or your settlement funds in the event we are required to pay Card Organization fees, charges, fines, penalties or other assessments as a consequence of your sales activities. Unless you obtain written consents from us and each applicable Card Organization, Issuer and Cardholder, you must not use, disclose, store, sell or disseminate any Cardholder information obtained in connection with a Card transaction (including the names, addresses and Card account numbers of Cardholders) except for purposes of authorizing, completing and settling Card transactions and resolving any Chargebacks, Retrieval Requests or similar issues involving Card transactions, other than pursuant to a court or governmental agency request, subpoena or order. You shall use proper controls for and limit access to, and render unreadable prior to discarding, all records containing Cardholder account numbers and Card imprints. You may not retain or store Magnetic Stripe data or Card Validation Codes after a transaction has been authorized. If you store any electronically captured signature of a Cardholder, you may not reproduce such signature except upon our specific request.

29.2. You acknowledge that you will not obtain ownership rights in any information relating to and derived from Card transactions. Cardholder account numbers, personal information and other Card transaction information, including any databases containing such information, may not be sold or disclosed to a Person as an asset upon a bankruptcy, insolvency or failure of Client's business. Upon a bankruptcy, insolvency or failure of Client's business, all Card transaction information must be returned to Servicers or acceptable proof of the destruction of all Card transaction information must be provided to Servicers.

29.3. You will treat this Agreement, the Card Organization Rules and any information supplied or otherwise made accessible by us or our agents as confidential, including without limitation, (i) information about the products, services, operations, procedures, customers, suppliers, sales, pricing, business plans and marketing strategies of Servicers, their respective Affiliates and the customers, clients and suppliers of any of them; (ii) any scientific or technical information, design, process, procedure, formula, or improvement that is commercially valuable and secret in the sense that its confidentiality affords Servicers a competitive advantage over its competitors; and (iii) all confidential or proprietary concepts, documentation, reports, data, specifications, computer software, source code, object code, flow charts, databases, inventions, know-how, show-how and trade secrets, whether or not patentable or copyrightable and will not disclose the same to any third parties, provided, however, that these restrictions do not apply to information: (a) rightfully obtained on a non-confidential basis from a Person and your agents and representatives, which Person was not subject to a duty of confidentiality, (b) rightfully and independently known by you on a non-confidential basis prior to its disclosure or (c) generally available to the public other than through any disclosure by or fault of you, your agents or representatives.

29.3.1. Our confidential information shall be used by you only to exercise your rights and to perform your obligations hereunder. Client shall receive our confidential information in confidence and not disclose the confidential information to any third party, except as may be agreed upon in writing by us. Client shall safeguard all of our confidential information using a reasonable degree of care, but not less than that degree of care used by it in safeguarding its own similar information or material. Upon request by us or upon termination of this Agreement, Client shall return to us or destroy all of our confidential information in its possession or control.

29.3.2. The obligations of confidentiality and restrictions on use in this Section shall not apply to any confidential information that: (i) was in the public domain prior to the date of the Agreement or subsequently came into the public domain through no fault of Client; (ii) was received from a third party free of any obligation of confidence of Client to the third party and which third party, to Client's knowledge, was not under an obligation to keep the information confidential; (iii) was already in Client's possession prior to receipt from us; (iv) is required to be disclosed by law, regulation or court order after giving us as much advance notice as practical of the possibility of disclosure; or (v) is subsequently and independently developed by Client's employees, consultants or agents without use of or reference to our confidential information.

29.3.3. Except as specifically provided for herein, this Section does not confer any right, license, interest or title in, to or under our confidential information to Client. Except as specifically provided for herein, no license is hereby granted to Client under any patent, trademark, copyright, trade secret or other proprietary rights of ours.

29.3.4. Client acknowledges that breach of the restrictions on use or disclosure of any our confidential information would result in immediate and irreparable harm to us, and money damages would be inadequate to compensate for that harm. We shall be entitled to equitable relief, in addition to all other available remedies, to redress any breach.

29.4. We may use data collected as part of performing payment processing or other transaction-related services for you ("Transaction Data") for the purpose of providing additional products and services to you, other merchants, or third parties. This includes collecting, using, and de-identifying cardholder information, dates, amounts, and other Transaction Data to provide you with analytic products and services as well as collecting

and using Transaction Data anonymized and aggregated with other merchants' transaction data to provide you, other merchants, and third parties with analytic products and services.

30. Assignments

30.1. Any transfer or assignment of this Agreement by you, without our prior written consent, by operation of law or otherwise, is voidable by us. Any transfer of voting control of you or your parent shall be considered an assignment or transfer of this Agreement. Furthermore, you shall indemnify and hold us harmless from all liabilities, Chargebacks, expenses, costs, fees and fines arising from such transferee's or assignee's Submission of Card transactions to us for processing. For purposes of this Section 30, any transfer of voting control shall be considered an assignment or transfer of this Agreement.

30.2. The payment Services provided by us require access to a single bank account in which we may initiate both credits and debits. You may not enter into any agreement that would require, in any circumstance or event, the transfer of any payments or proceeds from Card transactions covered by this Agreement to the custody or control of any Person. You may not assign any rights, including the right of payment under this Agreement, to any other person. In the event that you make an assignment (or provide a security interest) of receivables covered by this Agreement, then we may, at our option, elect to (a) refuse to acknowledge such assignment unless accompanied by an Authorization to both initiate debits or credits to the bank account of the assignee, (b) terminate this Agreement immediately, or (c) charge for any transfers that we are called upon to make manually to fulfill such an assignment at the rate of \$100 per transfer.

30.3. Another Visa and Mastercard member may be substituted for Bank under whose sponsorship this Agreement is performed with respect to Visa and Mastercard transactions. Upon substitution, such other Visa and Mastercard member shall be responsible for all obligations required of Bank for Visa and Mastercard transactions, including without limitation, full responsibility for its Card program and such other obligations as may be expressly required by applicable Card Organization Rules.

Subject to Card Organization Rules, we may assign or transfer this Agreement and our rights, duties and obligations hereunder and/or may delegate or subcontract our rights, duties and obligations hereunder, in whole or in part, to any Person, whether in connection with a change in sponsorship, as set forth in the preceding paragraph, or otherwise, without notice to you or your consent.

30.4. Except as set forth elsewhere in this Section and as provided in the following sentence, this Agreement shall be binding upon successors and assigns and shall inure to the benefit of the parties and their respective permitted successors and assigns. No assignee for the benefit of creditors, custodian, receiver, trustee in bankruptcy, debtor in possession, or other person charged with taking custody of a party's assets or business, shall have any right to continue, assume or assign this Agreement.

31. Term; Events of Default

31.1. This Agreement shall become effective upon the later of the date this Agreement is approved by us or the date this Agreement has been accepted by Processor and Bank. Acceptance by Processor and Bank will occur upon the earlier of execution of this Agreement by Processor and Bank, or the commencement of the provision of the Services by Processor and Bank. You acknowledge that we maintain a list of business types that are unqualified for our Services. We reserve the right to immediately terminate your account if it has been inadvertently boarded.

31.2. The initial term of this Agreement shall commence and shall continue in force for three years after it becomes effective. Thereafter, it shall continue until we or you terminate this Agreement upon written notice to the other, or as otherwise authorized by this Agreement. Should you fail to notify us in writing of your request to terminate your account, you will continue to be charged fees pursuant to this Agreement notwithstanding non-use of your account.

31.3. Notwithstanding the above or any other provisions of this Agreement, we may terminate this Agreement at any time and for any reason by providing 30 days' advance notice to you. We may terminate this Agreement immediately or with shorter notice upon an Event of Default as provided under Section 31.4 of this Agreement. In the event we provide notice to you of any new fees or increases in existing fees for Services, pursuant to Section 26.5, you may terminate this Agreement without further cause or penalty by notifying us that you are terminating this Agreement prior to the effective date of such new fees or increases. However, maintaining your merchant account, or your continued use of the Services after the effective date of any such fee changes shall be deemed your acceptance of such fee changes for the Services, throughout the term of this Agreement.

31.4. If any of the following events shall occur (each an “Event of Default”):

31.4.1. a material adverse change in your business, financial condition, or business prospects; or

31.4.2. any assignment or transfer of voting control of you or your parent; or

31.4.3. a sale of all or a substantial portion of your assets; or

31.4.4. irregular Card sales by you, excessive Chargebacks, noncompliance with any applicable data security standards, as determined by Servicers, or any Card Organization, or any other Person, or an actual or suspected data security breach, or any other circumstances which, in our sole discretion, may increase our exposure for your Chargebacks or otherwise present a financial or security risk to us; or

31.4.5. any of your representations, warranties or covenants in this Agreement are breached in any respect; or

31.4.6. you default in any material respect in the performance or observance of any term, condition or agreement contained in this Agreement, including, without limitation, the establishment or maintenance of funds in a Reserve Account, as detailed in Section 32; or

31.4.7. you default in any material respect in the performance or observance of any term, covenant or condition contained in any agreement with any of our respective Affiliates; or

31.4.8. you default in the payment when due, of any material indebtedness for borrowed money; or

31.4.9. you file a petition or have a petition filed by another party under the U.S. bankruptcy code or any other laws relating to bankruptcy, insolvency or similar arrangement for adjustment of debts; consent to or fail to contest in a timely and appropriate manner any petition filed against you in an involuntary case under such laws; apply for or consent to, or fail to contest in a timely and appropriate manner, the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of you or of a substantial part of your property; or make a general assignment for the benefit of creditors; or take any action for the purpose of authorizing any of the foregoing; or

31.4.10. your independent certified accountants shall refuse to deliver an unqualified opinion with respect to your annual financial statements and your consolidated subsidiaries; or

31.4.11. a violation by you of any applicable law or Card Organization Rule or our reasonable belief that termination of this Agreement or suspension of Services is necessary to comply with any law including without limitation the rules and regulations promulgated by the Office of Foreign Assets Control of the U.S. Department of the Treasury or your breach, as determined by Servicers, of Section 38.2 (“Compliance with Laws”), then, upon the occurrence of (1) an Event of Default specified in subsections 31.4.4, 31.4.9 or 31.4.11, we may consider this Agreement to be terminated immediately, without notice, and all amounts payable hereunder shall be immediately due and payable in full without demand or other notice of any kind, all of which are expressly waived by you, and (2) any other Event of Default, this Agreement may be terminated by us giving not less than 10 days’ notice to you, and upon such notice all amounts payable hereunder shall be due and payable on demand.

31.5. Neither the expiration nor termination of this Agreement shall terminate the obligations and rights of the parties pursuant to provisions of this Agreement which by their terms are intended to survive or be perpetual or irrevocable. Such provisions shall survive the expiration or termination of this Agreement. All obligations by you to pay or reimburse us for any obligations associated with transactions you have submitted to us will survive termination of this Agreement until finally and irrevocably paid in full and settled.

31.6. If any Event of Default occurs, regardless of whether such Event of Default has been cured, we may, in our sole discretion, exercise all of our rights and remedies under applicable law, and this Agreement including, without limitation, exercising our rights under Section 32.

31.7. In the event you file for protection under the U.S. bankruptcy code or any other laws relating to bankruptcy, insolvency, assignment for the benefit of creditors or similar laws, and you continue to use our Services, it is your responsibility to open new accounts to distinguish pre and post filing obligations. You acknowledge that as long as you utilize the accounts you established prior to such filing, we will not be able to systematically segregate your post-filing transactions or prevent set-off of the pre-existing obligations. In that event, you will be responsible for submitting an accounting supporting any adjustments that you may claim.

31.8. The Card Organizations often maintain merchant lists such as the Member Alert To Control High-risk Merchants (“**MATCH**”) who have had their merchant agreements or Card Acceptance rights terminated for cause. If this Agreement is terminated for cause, you acknowledge that we may be required to report your business name and the names and other information regarding its principals to the Card Organizations for inclusion on such list(s). You expressly agree and consent to such reporting if you are terminated as a result of the occurrence of an Event of Default or for any reason specified as cause by Visa, Mastercard, Discover Network, PayPal or American Express. Furthermore, you agree to waive and hold us harmless from and against any and all claims which you may have as a result of such reporting.

31.9. After termination of this Agreement for any reason whatsoever, you shall continue to bear total responsibility for all Chargebacks, fees, Card Organization fines imposed on us as a result of your acts or omissions, Credits and adjustments resulting from Card transactions processed pursuant to this Agreement and all other amounts then due or which thereafter may become due under this Agreement.

32. Reserve Account; Security Interest

32.1. You expressly authorize us to establish a Reserve Account pursuant to the terms and conditions set forth in this Section 32. The amount of such Reserve Account shall be set by us, in our sole discretion, based upon your processing history and the potential risk of loss to us as we may determine from time to time.

32.2. The Reserve Account shall be fully funded upon three (3) days’ notice to you, or in instances of fraud or suspected fraud or an Event of Default, Reserve Account funding may be immediate. Such Reserve Account may be funded by all or any combination of the following: (i) one or more debits to your Settlement Account or any other accounts held by Bank or any of its Affiliates, at any financial institution maintained in the name of Client, any of its principals, or any of its guarantors, or if any of same are authorized signers on such account; (ii) any payments otherwise due to you, including any amount due from TeleCheck; (iii) your delivery to us of a letter of credit; or (iv) if we so agree, your pledge to us of a freely transferable and negotiable certificate of deposit. Any such letter of credit or certificate of deposit shall be issued or established by a financial institution acceptable to us and shall be in a form satisfactory to us. In the event of termination of this Agreement by any party, an immediate Reserve Account may be established without notice in the manner provided above. Any Reserve Account will be held by us for the greater of ten (10) months after termination of this Agreement or for such longer period of time as is consistent with our liability for your Card transactions and Chargebacks in accordance with Card Organization Rules. We will hold funds pursuant to this Section 32 in master account(s) with your funds allocated to separate sub accounts. Unless specifically required by law, you shall not be entitled to interest on any funds held by us in a Reserve Account.

32.3. If your funds in the Reserve Account are not sufficient to cover the Chargebacks, adjustments, fees and other charges and amounts due from you, or if the funds in the Reserve Account have been released, you agree to promptly pay us such sums upon request.

32.4.1. To secure your obligations to us and our respective Affiliates under this Agreement and any other agreement for the provision of equipment, products or services (including any obligations for which payments on account of such obligations are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy act, state or federal law, common law or equitable cause), you grant to us a first priority lien and security interest in and to (i) the Reserve Account and (ii) any of your funds pertaining to the Card transactions contemplated by this Agreement now or hereafter in our possession, whether now or hereafter due or to become due to you from us. Any such funds, money or amounts now or hereafter in our possession may be commingled with other funds of ours, or, in the case of any funds held pursuant to the foregoing paragraphs, with any other funds of other customers of ours. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, we are hereby authorized by you at any time and from time to time, without notice or demand to you or to any other Person (any such notice and demand being hereby expressly waived), to set off, recoup and to appropriate and to apply any and all such funds against and on account of your obligations to us and our respective Affiliates under this Agreement and any other agreement with us our respective Affiliates for any related equipment or related services (including any check services), whether such obligations are liquidated, unliquidated, fixed, contingent, matured or unmatured. You agree to duly execute and deliver to us such instruments and documents as we may reasonably request to perfect and confirm the lien, security interest, right of set off, recoupment and subordination set forth in this Agreement.

32.4.2. For sake of clarification and notwithstanding anything in the Agreement to the contrary, in the event Servicers deduct, holdback, suspend, off set or set off any settlement monies or amounts otherwise due you pursuant to the terms of this Agreement (collectively “Set Off Funds”), you acknowledge that such Set Off Funds will be held in a commingled Reserve Account(s) of Servicers.

32.4.3. If in replacement of or in addition to the first priority lien and security interest in the Reserve Account, you grant to Servicers a first priority lien and security interest in and to one or more certificates of deposit, the certificates of deposit shall be uncertificated and shall be subject to an Acknowledgment of Pledge of Certificate of Deposit and Control Agreement (the “Certificate of Deposit Control Agreement”) by, between and among Customers, Servicers and the financial institution that has established and issued the certificate of deposit. The form of the Certificate of Deposit Control Agreement and the financial institution that will establish and issue the certificate of deposit shall be satisfactory and acceptable to Servicers.

33. Financial and Other Information

33.1. Upon request, you will provide us and our Affiliates, quarterly financial statements within 45 days after the end of each fiscal quarter and annual audited financial statements within 90 days after the end of each fiscal year. Such financial statements shall be prepared in accordance with generally accepted accounting principles. You will also provide such other financial statements and other information concerning your business and your compliance with the terms and provisions of this Agreement as we may reasonably request. You authorize us and our Affiliates to obtain from third parties financial and credit information relating to you in connection with our determination whether to accept this Agreement and our continuing evaluation of your financial and credit status. We may also access and use information which you have provided to Bank for any other reason. Upon request, you shall provide, and/or cause to be provided, to us and our Affiliates, or our representatives or regulators (as well as those of the Card Organizations) reasonable access

to your or your providers' facilities and records for the purpose of performing any inspection and/or copying of books and/or records deemed appropriate. In such event, you shall pay the costs incurred by us or our Affiliates for such inspection, including, but not limited to, costs incurred for airfare and hotel accommodations.

33.2. You will provide us with written notice of any judgment, writ, warrant of attachment, execution or levy against any substantial part (25% or more in value) of your total assets not later than three (3) days after you become aware of same.

34. Indemnification

34.1. You agree to indemnify and hold us and the Card Organizations harmless from and against all losses, liabilities, damages and expenses: (a) resulting from the inaccuracy or untruthfulness of any representation or warranty, breach of any covenant or agreement or any misrepresentation by you under this Agreement; (b) arising out of your or your employees' or your agents' negligence or willful misconduct, in connection with Card transactions or otherwise arising from your provision of goods and services to Cardholders; (c) arising out of your use of the Services; or (d) arising out of any third party indemnifications we are obligated to make as a result of your actions (including indemnification of any Card Organization or Issuer).

34.2. Subject to the limitations set forth in Section 28.4, we agree to indemnify and hold you harmless from and against all losses, liabilities, damages and expenses resulting from any breach of any warranty, covenant or agreement or any misrepresentation by us under this Agreement or arising out of our or our employees' gross negligence or willful misconduct in connection with this Agreement; provided that this indemnity obligation shall not apply to Bank with respect to Non-Bank Services.

35. Special Provisions Regarding Non-Bank Cards

35.1. Non-Bank Card transactions are provided to you by Processor and not by Bank and include transactions made using Discover Network, PayPal, American Express, Voyager and WEX Card types. The Services provided, transactions processed and other matters contemplated under this Section 35 are subject to the rest of this Agreement, as applicable, except to the extent the terms of this Section 35 directly conflict with another provision of this Agreement, in which case the terms of this Section 35 will control; provided, however, that (i) Bank is not a party to this Agreement insofar as it relates to Non-Bank Card services, and Bank is not liable to you in any way with respect to such Services and (ii) you agree to pay Processor any per item processing, authorization and other fees described in the Application for any non-acquired transaction services you receive from Processor. For the purposes of this section, the words "we," "our" and "us" refer only to the Processor and not to the Bank. You authorize us to share information from your Application with American Express, Discover Network, PayPal and any other Non-Bank Card Organization.

35.2. If you accept American Express, you understand that if, based upon your anticipated Card transaction volume you do not qualify for our full service program but have otherwise been approved for accepting American Express transactions, your authorizations will be obtained from and funded by American Express. American Express will provide you with its own agreement that governs those transactions. You understand and agree that we are not responsible and assume absolutely no liability with regard to any such transactions, including but not limited to the funding and settlement of American Express transactions, and that American Express will charge additional fees for the services they provide.

35.3. If you accept Discover but do not qualify for our Discover full service program, Discover will provide you with its own agreement that governs those transactions. You understand and agree that we are not responsible and assume absolutely no liability with regard to any such transactions, including but not limited to the authorization, funding, and settlement of Discover transactions, and that Discover may charge additional fees for the services they provide.

35.4. If you accept PayPal Cards you understand that the following requirements apply to PayPal Card transactions in addition to the information required in this Agreement:

- Only in-store, Card present transactions are eligible for processing under this Agreement. Card not present/online, cash over, cash advance, quasi cash transactions, international transactions or manually entered transactions are not eligible for processing. You must contact us or PayPal for information related to services that are not covered in this Agreement.
- You will provide us with information about the Card transactions you conduct; including, data related to your Authorization requests, Card transactions, and transaction dispute responses.
- You will provide us with aggregate and individual information about the Card transactions you accept; including, the number, type and kind of transactions you conduct, your disputes, your business operations, your merchant category code information, and any other information you are required to provide under this Agreement.
- You will not use, store, retain or otherwise disclose any of PayPal's confidential information, Cardholder data, magnetic stripe track data, or PayPal Card transaction data (other than as necessary to complete a transaction).
- You will not use PayPal Cardholder's personal information for marketing and/or other purposes without explicit consent from the Cardholder.

35.5. If you accept JCB, Diners Club International, UnionPay, BCard, and Dinacard, you agree to be bound by the Discover Network provisions of this Agreement. You also acknowledge and agree that JCB, Diners Club International, UnionPay, BCard, and

Dinacard transactions will be processed under and subject to Discover Network Card Organization Rules.

35.6. If you accept Voyager and/or WEX Cards, you agree to be bound by the WEX and/or Voyager rules. You also agree to be bound by all other provisions of this Agreement which are applicable to WEX and/or Voyager.

35.7. If you execute a separate WEX Merchant Agreement (WEX Non Full Service Program), you understand that we will provide such agreement to WEX, but that neither we nor WEX shall have any obligation whatsoever to you with respect to processing WEX Cards unless and until WEX executes your WEX Merchant Agreement. If WEX executes your WEX Merchant Agreement and you accept WEX Cards, you understand that WEX transactions are processed, authorized and funded by WEX. You understand that WEX is solely responsible for all agreements that govern WEX transactions and that we are not responsible and assume absolutely no liability with regard to any such agreements or WEX transactions, including but not limited to the funding and settlement of WEX transactions. You understand that WEX will charge additional fees for the services that it provides.

35.8. In addition to the information stated in Part I, Appendix I of the Your Payments Acceptance Guide regarding Voyager Cards, the following terms apply

- Under Section 28 (Representations; Warranties; Covenants; Limitations of Liability; Exclusion of Consequential Damages) of the General Terms, in no event shall our cumulative liability to you for losses, claims, suits, controversies, breaches or damages for any cause whatsoever in connection with Voyager transactions exceed the lesser of \$10,000.00 or the Voyager transaction fees paid by you to us for the two months prior to the action giving rise to the claim.
- Notwithstanding anything in this Agreement to the contrary, our obligation to provide services to you relating to any Fleet Card will terminate automatically without penalty to us or the related Card Organization upon the earlier of (i) the termination or expiration of our agreement with such Card Organization, (ii) at least twenty (20) days prior written notice by us to you; (iii) your failure to comply with material terms relating to such Fleet Card transactions, or (iv) written notice, if a Card Organization discontinues its Card.

36. Special Provisions for Debit Card

The special provisions outlined in this Section 36 apply only to those Debit Card transactions that are processed by a Cardholder entering a PIN unless the transaction is a network supported PINless transaction. A PINless transaction is a Debit card transaction that a merchant submits to us for settlement/funding transactions with neither a PIN nor Signature. The Services provided, transactions processed and other matters contemplated under this Section 36 are subject to the rest of this Agreement, as applicable, except to the extent the terms of this Section 36 directly conflict with another provision of this Agreement, in which case the terms of this Section 36 will control.

36.1. Debit Card Acceptance. Most, but not all, ATM Cards (Debit Cards) can be accepted at the point of sale at participating locations. Examine the back of the Debit Card to determine if the Card participates in a PIN Debit network that you are authorized to accept. PIN Debit network Mark(s) are usually printed on the back of the Card. If the Debit Card is valid and issued by a financial institution Issuer participating in a PIN Debit network, you must comply with the following general requirements for all participating PIN Debit networks, in addition to the specific requirements of that PIN Debit network:

- You must honor all valid Debit Cards when presented that bear authorized PIN Debit network Marks.
- You must treat transactions by Cardholders from all Issuers in the same manner.
- You may not establish a minimum or maximum transaction amount for Debit Card acceptance.
- You may not require additional information, besides the PIN, for the completion of the transaction unless the circumstances appear suspicious. A signature is not required for Debit Card transactions.
- You shall not disclose transaction related information to any party other than your agent, a PIN Debit network, or Issuer and then only for the purpose of settlement or error resolution.

36.2. Transaction Processing. The following general requirements apply to all Debit Card transactions:

- All Debit Card transactions must be authorized and processed electronically. There is no Voice Authorization or Imprinter procedure for Debit Card transactions.
- You may not complete a Debit Card transaction that has not been authorized. If you cannot obtain an Authorization at the time of sale, you should request another form of payment from the Cardholder or process the transaction as a Store and Forward or Resubmission, in which case you assume the risk that the transaction fails to authorize or otherwise declines. The Cardholder should be instructed to contact the Issuer to find out why a transaction has been declined.
- The Debit network used to process your debit transaction will depend upon, among other things, our own business considerations, the availability of the Debit network at the time of the transaction and whether a particular Debit Card is enabled for a particular Debit network. The Debit network used to route your transaction may or may not be the lowest cost network available. We may, in our sole discretion (i) use any Debit network available to us for a given transaction (including any of our affiliated PIN Debit networks) and (ii)

add and/or remove Debit networks available to you based on a variety of factors including availability, features, functionality and our own business considerations.

- You must issue a receipt to the Cardholder upon successful completion of a transaction and effect PAN Truncation on it.
- You may not manually enter the account number for PIN Debit transactions. Signature Debit transaction may be key entered if you are unable to swipe the Card. The account number must be read electronically from the Magnetic Stripe/chip for transactions authenticated with a PIN. If the Magnetic Stripe/chip is unreadable, you must request another form of payment from the Cardholder. Do obtain a signature if PIN authentication is not supported or available.
- Any applicable tax must be included in the total transaction amount for which Authorization is requested. Tax may not be collected separately in cash.

• YOU ARE RESPONSIBLE FOR SECURING YOUR POS DEVICES AND FOR IMPLEMENTING APPROPRIATE CONTROLS TO PREVENT EMPLOYEES OR OTHERS FROM SUBMITTING CREDITS AND VOIDS THAT DO NOT REFLECT BONA FIDE RETURNS OR REIMBURSEMENTS OF PRIOR TRANSACTIONS.

36.3. Cash Back From Purchase. You may offer cash back to your customers when they make a PIN Debit Card purchase. You may set a minimum and maximum amount of cash back that you will allow. If you are not currently offering this service, your POS device may require additional programming to begin offering cash back as long as it is supported by the Debit Network.

36.4. Settlement. You must reconcile your accounts for each location daily and notify us within 24 hours of any issues.

36.5. Adjustments. An adjustment is a transaction that is initiated to correct a Debit Card transaction that has been processed in error. For signature debit transactions (including “no signature” signature debit transactions), both the Cardholder and the card issuing bank have the right to question or dispute a transaction. If these questions or disputes are not resolved, a chargeback may occur. You are responsible for all adjustment and Chargeback fees that may be charged by a Debit network. **There are several reasons for adjustments being initiated:**

- The Cardholder was charged an incorrect amount, whether too little or too much.
- The Cardholder was charged more than once for the same transaction.
- A processing error may have occurred that caused the Cardholder to be charged even though the transaction did not complete normally at the point of sale.
- A Cardholder is disputing the goods or services provided.

All parties involved in processing adjustments and Chargebacks are regulated by time frames that are specified in the operating rules of the applicable Debit network, The Electronic Funds Transfer Act, Regulation E, and other applicable law.

37. Special Provisions Regarding EBT Transactions

If you elect to accept EBT Cards and engage in EBT transactions, the terms and conditions of this Section 37 shall apply.

EBT transactions are provided to you by Processor and not by Bank. The Services provided, transactions processed and other matters contemplated under this Section 37 are subject to the rest of this Agreement, as applicable, except to the extent the terms of this Section 37 directly conflict with another section of this Agreement, in which case the terms of this Section 37 will control; provided, however, that Bank is not a party to this Agreement insofar as it relates to EBT transactions, and Bank is not liable to you in any way with respect to such Services. For the purposes of this section, the words “we,” “our” and “us” refer only to the Processor and not to the Bank.

We offer electronic interfaces to EBT networks for the processing, settlement and switching of EBT transactions initiated through the use of a state-issued EBT card (“EBT Card”) at your POS Terminal(s) for the provision of United States Department of Agriculture, Food and Nutrition Service (“FNS”), Supplemental Nutrition Assistance Program (“SNAP”) and Women, Infants and Children Benefits (“WIC Benefits”) and/or government delivered Cash Benefits (Cash Benefits, together with FNS, SNAP and WIC Benefits, collectively are referred to as the “EBT benefits”) to EBT benefit recipients (“EBT customers”), subject to the terms below.

37.1. Acceptance of EBT Benefits. You agree to accept EBT Cards and provide EBT benefits to EBT customers through the use of a POS Terminals, PIN pad and printer or other equipment that meet standards as set forth in the EBT Rules (“Authorized Terminal”) applicable to such EBT benefits during your normal business hours, in a manner consistent with your normal business practices and in accordance with the EBT Rules.

You will provide EBT benefits to EBT customers, in accordance with the procedures set forth in the EBT Rules, in the amount authorized through your Authorized Terminal upon presentation by an EBT customer of an EBT Card and such EBT customer’s entry of a valid PIN. The “EBT Rules” means (i) all procedures that we establish and provide to you from time-to-time regarding your acceptance of EBT Cards and provision of EBT benefits to EBT customers; (ii) the Quest Rules, as amended from time-to-time, issued by the National Automated Clearing House Association and as approved by the Financial Management Service of the U.S. Treasury Department, as necessary (and any rules that succeed or replace the Quest Rules); and (iii) other such laws, rules, regulations and procedures that are applicable to the acceptance of EBT Cards and the provision of EBT benefits by you under this Section 37, including without limitation, laws pertaining to delivery of services to EBT

customers and EBT customer confidentiality, the federal Civil Rights Act of 1964, Rehabilitation Act of 1973, Americans with Disabilities Act of 1990, Clean Air Act, Clean Water Act, Energy Policy and Conservation Act, Immigration Reform and Control Act of 1986, regulations issued by the Department of Agriculture pertaining to Food Stamp Program, and, any additional procedures specified by the state regarding lost EBT Cards, forgotten PINs, discrepancies in benefits authorized and similar matters by providing EBT customers with information such as telephone numbers and addresses of the state or other appropriate agencies. The “Food Stamp Program” is the government benefits program operated under the authority of the Food Stamp Act of 1964.

If the Authorized Terminal fails to print EBT benefit issuance information as approved and validated as a legitimate transaction, you will comply with the procedures set forth in the EBT Rules for authorization of EBT benefits in such instance. You are solely responsible for your provision of EBT benefits other than in accordance with authorizations timely received from EBT service provider. You will not resubmit any EBT Card transaction except as specifically permitted by the EBT Rules and procedures applicable to such EBT Card transaction. You must provide a receipt for each EBT transaction to the applicable EBT customer.

You will not accept any EBT Card for any purpose other than providing EBT Benefits, including without limitation accepting an EBT Card as security for repayment of any EBT customer obligation to you. In the event of any violation of this provision, you will be obligated to reimburse the state or us for any EBT benefits unlawfully received by either you or an EBT customer to the extent permitted by law. Cash should never be dispensed for FNS, SNAP and WIC Benefits.

37.2. Manual EBT Vouchers. In accordance with the procedures set forth in this Section 37 and the EBT Rules, you will manually accept EBT Cards during periods of time when your Authorized Terminal is not working or the EBT system is not available; you will manually provide EBT benefits in the amount authorized through the applicable EBT service provider to the EBT customers at no cost to the EBT customers upon presentation by an EBT customer of his/her EBT Card. All manual voucher authorizations must be cleared on your POS terminal for payment of voucher to be made to you. In addition to any procedures set forth in the EBT Rules, the following limitations will apply to manual issuance of FS Benefits by merchant:

- i. An authorization number for the amount of the purchase must be received by you from the applicable EBT service provider while the respective EBT customer is present and before you provide such EBT customer with any FNS, SNAP and WIC Benefits, or Cash Benefits, as applicable. You must not attempt to voice authorize a manual EBT transaction if the EBT customer is not present to sign the voucher. The EBT customer must sign the voucher. A copy of the voucher should be given to the EBT customer at the time of authorization and you should retain one copy for your records.
- ii. Specified EBT customer, clerk and sales information, including the telephone authorization number, must be entered properly and legibly on the manual sales draft.
- iii. All manual voucher authorizations must be cleared on your Authorized Terminal before payment of voucher will be made to you. Vouchers must be cleared within 10 Business Days after the date of applicable voice authorization. Vouchers cannot be cleared by any manner except by your Authorized Terminal therefore you should never mail vouchers requesting payment. If a voucher expires before it has been cleared by your Authorized Terminal for payment, no further action can be taken to obtain payment for the voucher.
- iv. In the event that, due to EBT host failure, EBT benefit availability for an EBT customer cannot be determined at the time you request authorization, the maximum authorized manual transaction and benefit encumbrance will be \$40.00 or such other state specific floor limit as set forth in the most current version of the applicable EBT Rules.
- v. Except as specifically provided in the applicable EBT Rules, you will not be reimbursed and will be solely responsible for a manual transaction when you fail to obtain an authorization number from the applicable EBT service provider as set forth in this Section 37 or otherwise fail to process the manual transaction in accordance with the EBT Rules.
- vi. If you have not received an authorization number in accordance with paragraph 37.1 above, you may not “re-submit” a manual sales draft for payment for the same transaction.

37.3. Acceptance of Cash Benefits. If you agree to accept EBT Cards and to provide Cash Benefits, you agree to maintain adequate cash on hand to issue EBT service provider authorized Cash Benefits and will issue such Cash Benefits to EBT customers in the same manner and to the same extent cash is provided to your other customers. You may not require, and may not in your advertising suggest, that any EBT customers must purchase goods or services from you as a condition to receiving Cash Benefits, unless such condition applies to other customers as well. You may not designate and direct EBT customers to special checkout lanes restricted to use by EBT customers unless you also designate and direct other customers to special checkout lanes for Debit Cards or Credit Cards and/or other payment methods such as checks other than cash.

37.4. Interoperability. If you accept EBT Cards and provide EBT benefits (FNS, SNAP and WIC Benefits and/or Cash Benefits), you must do so for EBT customers from all states.

37.5. Required Licenses. If you provide FNS, SNAP and WIC Benefits under this Agreement, you represent and warrant to us that you are a FNS authorized merchant and are not currently disqualified or withdrawn from redeeming food stamp coupons or otherwise disqualified or withdrawn by FNS. You agree to secure and maintain at your own expense all necessary licenses, permits, franchises, or other authorities required to lawfully effect the issuance and distribution of EBT benefits under this Agreement, including

without limitation, any applicable franchise tax certificate and non-governmental contractor's certificate, and covenant that you will not accept EBT Cards or provide EBT benefits at any time during which you are not in compliance with the requirements of any EBT Rules.

37.6. Term and Termination. If you are disqualified or withdrawn from the Food Stamp Program, your authority to issue benefits will be terminated concurrently therewith. Such disqualification or withdrawal will be deemed a breach of this Agreement with respect to your authority to issue Cash Benefits and, in the event of such disqualification, we have the right to immediately terminate the provision of service under this Section 31 or the Agreement in its entirety. With respect to the issuance of Cash Benefits only, your authority to issue Cash Benefits may be suspended or terminated immediately at the sole discretion of us, the state or its EBT service provider, effective upon delivery of a notice of suspension or termination specifying the reasons for such suspension or termination if there will be (i) any suspension, injunction, cessation, or termination of the EBT service provider's authority to provide EBT services to the state; (ii) failure by you, upon not less than thirty (30) days' prior written notice, to cure any breach by you of these terms and conditions, including without limitation, your failure to support the issuance of EBT benefits during your normal business hours consistent with your normal business practices, your failure to comply with EBT benefit issuance procedures, your impermissible acceptance of an EBT Card, or your disqualification or withdrawal from the Food Stamp Program; or (iii) based on a state's or its EBT service provider's investigation of the relevant facts, evidence that you or any of your agents or employees are committing, participating in, or have knowledge of fraud or theft in connection with the dispensing of EBT benefits. If you fail to cure any breach as set forth above, you may appeal such suspension or termination to the applicable state for determination in its sole discretion.

In the event that your authority to accept benefits is suspended or terminated by a state or its EBT service provider, and you successfully appeal such suspension or termination to the state or its EBT service provider, we shall be under no obligation to reinstate the services previously provided under this Section 37 or the Agreement, as applicable.

The provision of services under this Section 37 shall terminate automatically if our agreement or our service provider's agreement with any applicable state's EBT service provider terminates for any reason.

You will give prompt notice to us if you plan to stop accepting EBT Cards and providing EBT benefits or if you are unable to comply with the terms of this Section 37.

37.7. Confidentiality of EBT System Information. All information related to EBT customers and/or the issuance of EBT benefits shall be considered confidential information. Individually identifiable information relating to an EBT customer or applicant for EBT benefits will be held confidential and will not be disclosed by you or your directors, officers, employees or agents, without prior written approval of the applicable state.

You will: (a) implement appropriate measures designed to: (1) ensure the security and confidentiality of all non-public personal information or materials regarding customers ("NPPI"); (2) protect against any anticipated threats or hazards to the security or integrity of NPPI; (3) protect against unauthorized access to or use of NPPI that could result in substantial harm or inconvenience to any customer and (4) ensure the proper disposal of NPPI; and (b) take appropriate actions to address incidents of unauthorized access to NPPI, including notification to us as soon as possible.

The use of information obtained by you in the performance of your duties under this Section 37 will be limited to purposes directly connected with such duties.

37.8. EBT Service Marks. You will adequately display any applicable state's service Marks or other licensed marks, including the Quest Marks, and other materials supplied by us (collectively the "Protected Marks") in accordance with the standards set by the applicable state. You will use the Protected Marks only to indicate that EBT benefits are issued at your location(s) and will not indicate that we, any state or its EBT service provider endorse your goods or services. Your right to use such Protected Marks pursuant to this Agreement will continue only so long as this Section 37 remains in effect or until you are notified by us, any state or its EBT service provider to cease their use or display. You will not use the Marks of any EBT service provider without prior written approval from such EBT service provider.

37.9. Miscellaneous.

37.9.1. Errors. You will fully cooperate with us and any other participants in the EBT system in the resolution of errors and disputes regarding EBT transactions processed pursuant to this Section 37. You will promptly notify us of any such errors or disputes.

37.9.2. Issuance Records.

- i. You agree to make available such informational materials as may be required by the state, its EBT service provider or any applicable regulations pertaining to the issuance of Benefits.
- ii. You will retain all EBT-related records (including but not limited to manual sales drafts or vouchers) in the manner required by the EBT Rules or otherwise reasonably requested by us for three (3) years following the date of the applicable EBT transaction, or for such additional period as may be required by the EBT Rules. Records involving matters in litigation will be kept by you for a period of not less than three (3) years following the termination of the applicable litigation. Copies of any documents in media other than paper (e.g., microfilm, etc.) related to this Section 37 may be substituted for the originals to the extent permitted under applicable EBT Rules and provided that

legible paper copies can be reproduced within a reasonable time after such records are requested.

iii. You will make all EBT-related records available for audit upon request to representatives of the state or its EBT service provider, or other authorized state or federal government agency during normal business hours.

iv. To assure compliance with this Agreement, including without limitation this Section 37, the state, its EBT service provider, or other authorized state or federal government agency, will at all times, upon advance notice except in the case of suspected fraud or other similar activity, have the right to enter, during normal business hours, your premises to inspect or evaluate any work performed under this Agreement, or to obtain any other information required to be provided by you or otherwise related to this Agreement.

37.9.3. Training. You will train and permit your employees to receive training regarding the issuance of EBT benefits.

37.9.4. Amendments. Notwithstanding anything to the contrary in this Agreement, if any of these terms and conditions are found to conflict with the EBT Rules or federal or state policy, these terms and conditions are subject to reasonable amendment by us, a state or its EBT service provider to address such conflict upon written notice to you and such amendment shall become effective upon such notice.

37.9.5. State Action. Nothing contained herein shall preclude a state from commencing appropriate administrative or legal action against you or for making any referral for such action to any appropriate federal, state, or local agency.

37.9.6. Reference to State. Any references to state herein will mean the state in which you accept EBT benefits pursuant to this Section 37. If you accept EBT benefit in more than one state pursuant this Section 37, then the reference will mean each such state severally, not jointly.

37.9.7. Third Party Beneficiaries. These terms and conditions, do not create, and will not be construed as creating, any rights enforceable by any person not having any rights directly under this Agreement, except that the state and its Issuer, as defined in the Quest Rules, will be deemed third party beneficiaries of the representations, warranties, covenants and agreements made by you under the Agreement, including without limitation this Section 37.

38. Special Provisions Regarding Wireless Service

If you elect to purchase the Wireless Services from us as indicated on the Application, then the following terms and conditions of this Section 38, referred to as the "**Wireless Services Terms**," shall apply. THE WIRELESS SERVICES ARE BEING SOLD TO YOU FOR USE IN BUSINESS AND ARE NOT BEING SOLD TO YOU FOR HOUSEHOLD OR PERSONAL USE. Sale of Wireless Services is made by Processor and not the Bank. The Services provided, transactions processed and other matters contemplated under this Section 38 are subject to the rest of this Agreement, as applicable, except to the extent the terms of this Section 38 directly conflict with another section of this Agreement, in which case the terms of this Section 38 will control; provided, however, that Bank is not a party to this Agreement insofar as it relates to Wireless Services, and Bank is not liable to you in any way with respect to such services. For the purposes of this section, the words "we," "our" and "us" refer only to the Processor and not to the Bank.

Through one or more third party vendors ("Wireless Vendor(s)") selected by us in our sole discretion, we have acquired the right to resell certain wireless data communication services that use radio base stations and switching offered by certain cellular telephone and data networks throughout the country (the "Wireless Networks") in order to allow you to capture and transmit to Processor and Bank certain wireless Card Authorization transactions or to transmit other communications to our system ("Wireless Services").

If you elect to purchase voice and/or data services directly from a third party provider for use with the Wireless Equipment as permitted by Processor, you acknowledge and agree that this Agreement does not address or govern those voice and/or data services or your relationship with that third party provider, and Servicers are in no way responsible for providing, maintaining, servicing or supporting such third party voice and/or data services.

38.1. Purchase of Wireless Services. The prices that you will pay for the Wireless Services are set forth on the Application. In connection with your purchase of Wireless Services, you will receive access to a certain Wireless Network(s).

- Licenses. You agree to obtain any and all licenses, permits or other authorizations required by the Federal Communications Commission ("FCC") or any other regulatory authority, if any, for the lawful operation of Wireless Equipment used by you in connection with your receipt of Wireless Services. You will promptly provide us with all such information as we may reasonably request with respect to matters relating to the rules and regulations of the FCC.
- Wireless Equipment. You agree that in order to access the Wireless Services, you must use wireless POS Terminals and accessories approved for use with the Wireless Services by Processor from time to time in its sole discretion (the "Wireless Equipment"). If Wireless Equipment is purchased by you from us as indicated on the Application, then the terms of this Agreement apply to your use of such Wireless Equipment.
- Improvements/General Administration. We and the Wireless Vendor(s) reserve the right to make changes, from time to time, in the configuration of the Wireless Services, Wireless Networks, Wireless Equipment, Wireless Software, rules of operation, accessibility periods, identification procedures, type and location of equipment, allocation and

quantity of resources utilized, programming languages, administrative and operational algorithms and designation of the control center serving you at the particular address. In addition, we reserve the right to schedule, from time to time, interruptions of service for maintenance activities.

- Suspension of Wireless Services. We or a Wireless Network may suspend the Wireless Services to: (a) prevent damages to, or degradation of, our or a Wireless Network's network integrity that may be caused by a third party; (b) comply with any law, regulation, court order or other governmental request which requires immediate action; or (c) otherwise protect us or a Wireless Network from potential legal liability. To the extent commercially reasonable, we shall give notice to you before suspending the Wireless Services to you. If not commercially reasonable to give prior notice, we will give notice to you as soon as commercially practicable thereafter. Availability of the Wireless Services may vary due to events beyond the control of us or our Wireless Vendors. In the event of a suspension of the Wireless Services, we or the applicable Wireless Vendor will promptly restore the Wireless Services after the event giving rise to the suspension has been resolved.

38.2. Software Licenses. Processor hereby grants to you a non-exclusive, non-transferable, revocable limited sublicense to use any wireless software (including any documentation relating to or describing the wireless software) downloaded by you or your designee from Processor's systems onto the Wireless Equipment in connection with your purchase and use of the Wireless Services in accordance with the terms of this Agreement, including this Section 38. Anything in this Agreement to the contrary notwithstanding, we or certain third parties retain all ownership and copyright interest in and to all Wireless Software, related documentation, technology, know-how and processes embodied in or provided in connection with the Wireless Software, and you shall have only a nonexclusive, non-transferable license to use the Wireless Software in your operation of the Wireless Equipment for the purposes set forth in this Agreement. Nothing in this Agreement confers any title or ownership of any such Wireless Software to you or shall be construed as a sale of any rights in any such Wireless Software to you. You agree to accept, agree to and be bound by all applicable terms and conditions of use and other license terms applicable to such Wireless Software. You shall not reverse engineer, disassemble or decompile the Wireless Software. You shall not give any Person access to the Wireless Software without our prior written consent. Your obligations under this Section 38.2 shall survive the termination of this Agreement. You acknowledge that the only right you obtain to the Wireless Software is the right to use the Wireless Software in accordance with the terms in this Section.

38.3. Limitation on Liability. We shall have no liability for any warranties by any party with respect to uninterrupted Wireless Services, as set forth in Section 38.10, or for any Person's unauthorized access to Client's data transmitted through either the Wireless Equipment or Wireless Services (including the Wireless Software), or Wireless Networks, regardless of the form of action (whether in contract, tort (including negligence), strict liability or otherwise). The foregoing notwithstanding, for any other liability arising out of or in any way connected with these Wireless Services terms, including liability resulting solely from loss or damage caused by partial or total failure, delay or nonperformance of the Wireless Services or relating to or arising from your use of or inability to use the Wireless Services, Processor's, Bank's, and Wireless Vendor(s)' liability shall be limited to your direct damages, if any, and, in any event, shall not exceed the lesser of the amount paid by you for the particular Wireless Services during any period of failure, delay, or nonperformance of the Wireless Services or \$50,000.00. In no event shall Servicers, Wireless Vendor(s) or our respective Affiliates be liable for any indirect incidental, special, consequential or punitive damages. The remedies available to you under these Wireless Services Terms will be your sole and exclusive remedies with respect to the Wireless Services.

38.4. Indemnification. In addition to any other indemnifications as set forth in this Agreement, you will indemnify and hold Servicers, Wireless Vendor(s) and our respective officers, directors, employees, and Affiliates harmless from and against any and all losses, claims, liabilities, damages, costs or expenses arising from or related to: (a) the purchase, delivery, acceptance, rejection, ownership, possession, use condition, liens against, or return of the Wireless Equipment or the Wireless Equipment (including the Wireless Software), as applicable; (b) your negligent acts or omissions; (c) any breach by you of any of your obligations under this Section 38; or (d) any Person's unauthorized access to Client's data and/or unauthorized financial activity occurring on your Merchant Identification Number hereunder, except to the extent any losses, liabilities, damages or expenses result from our gross negligence or willful misconduct.

38.5. Confidentiality. All information or materials which could reasonably be considered confidential or competitively sensitive that you access from or relate to either Wireless Vendor(s) or Servicers related to the subject matter of these Wireless Services Terms will be considered confidential information. You will safeguard our confidential information with at least the same degree of care and security that you use for your confidential information, but not less than reasonable care.

38.6. Termination. In addition to any other provision in this Agreement, the Wireless Services being provided under this Section 38 may terminate:

- Immediately upon termination of the agreement between us (or our Affiliates) and Wireless Vendor(s), provided that we will notify you promptly upon our notice or knowledge of termination of such agreement, provided further that if Wireless Vendor(s) loses its authority to operate less than all of the Wireless Services or if the suspension of any authority or non-renewal of any license relates to less than all of the Wireless Services, then these Wireless Services Terms will terminate only as to the

portion of the Wireless Services affected by such loss of authority, suspension or non-renewal; or

- Immediately if either we or our Affiliates or Wireless Vendor(s) are prevented from providing the Wireless Services by any law, regulation, requirement, ruling or notice issued in any form whatsoever by judicial or governmental authority (including without limitation the FCC).

38.7. Effect of Termination. Upon termination of these Wireless Services Terms for any reason, you will immediately pay to us all fees due and owing to us hereunder. If these Wireless Services terms terminate due to a termination of the agreement between us or our Affiliates and Wireless Vendor(s), then we may, in our sole discretion, continue to provide the Wireless Services through Wireless Vendor(s) to you for a period of time to be determined as long as you continue to make timely payment of fees due under these Wireless Services Terms.

38.8. Third Party Beneficiaries. Wireless Vendor(s) are third party beneficiaries of these Wireless Services Terms and may enforce its provisions as if a party hereto.

38.9. Other Applicable Provisions. You also agree to be bound by all other terms and conditions of this Agreement.

38.10. Disclaimer. Wireless Services use radio transmissions, so Wireless Services can't be provided unless your Wireless Equipment is in the range of one of the available Wireless Networks' transmission sites and there is sufficient network capacity available at that moment. There are places, particularly in remote areas, with no service at all. Weather, topography, buildings, your Wireless Equipment, and other conditions we don't control may also cause failed transmissions or other problems. PROCESSOR, BANK, AND WIRELESS VENDOR(S) DISCLAIM ALL REPRESENTATIONS AND WARRANTIES RELATING TO WIRELESS SERVICES. WE CANNOT PROMISE UNINTERRUPTED OR ERROR-FREE WIRELESS SERVICE AND DO NOT AUTHORIZE ANYONE TO MAKE ANY WARRANTIES ON OUR BEHALF

39. Special Provisions Regarding Clover Security Plus

Clover Security Plus consists of a POS security monitor, the TransArmor Data Protection service, and tools that you can use to help you meet your PCI DSS compliance obligations. Each of these services is described in more detail below. Clover Security Plus is provided to you by Processor and not by Bank. Clover Security Plus is available only for Level 3 and Level 4 merchants, as defined by the Payments Organizations. Clover Security Plus is not available for Level 1 or Level 2 merchants.

39.1. The POS security monitor offers you monitoring, scanning, and anti-virus software services for your point of sale computer systems. The TransArmor Data Protection service is described in Sections 39.14 and 39.15.

39.2. Scanning Authority; Scanning Obligations. You represent and warrant that you have full right, power, and authority to consent for Clover Security Plus to scan for vulnerabilities in the IP address and/or URL and/or domain names identified to us by you for scanning, whether electronically or by any other means, whether during initial enrollment or thereafter. If applicable, you shall obtain all consents and authorizations from any third parties necessary for us or our vendors to perform the Clover Security Plus services, including, without limitation, third party data centers, co-locations and hosts. We will not be required to execute agreements with any such third parties. You agree to defend, indemnify and hold us and our vendors harmless from any third party claim that such access was not authorized. You may use Clover Security Plus and portals only to scan IP addresses, URLs and domain names owned by and registered to you. You understand that your failure to provide a complete list of and complete access to your IP addresses will significantly impair the scanning services and may result in incomplete or inaccurate results. You agree that the Clover Security Plus services hereunder, including without limitation their functionality and contents, constitute confidential information, and your use and/or access to the Clover Security Plus is subject to the terms of confidentiality set forth in this Agreement.

39.3. Data Collection. In the course of providing the Clover Security Plus, we may collect information relating to activities on your network (the "Data") including, but not limited to: network configuration, TCP/IP packet headers and contents, log files, malicious codes, and Trojan horses. We retain the right to use the Data or aggregations thereof for any reasonable purpose.

39.4. Data Protection; Responsibilities of Client. Data Protection applies only to card transactions sent from you to us for authorization and settlement pursuant to the Agreement, and specifically excludes electronic check transactions. You are responsible to comply with the following regarding your use of Data Protection:

- Data Protection can only be used with an eligible POS device, gateway, interactive voice response system, or similar system or equipment sale device, gateway, that is certified by us for use with Data Protection. If you are uncertain whether your equipment is eligible or certified, please contact us. It is your responsibility to ensure that you have eligible equipment in order to use Data Protection.
- You must demonstrate and maintain your current PCI DSS compliance certification. Compliance must be validated either by a Qualified Security Assessor (QSA) with corresponding Report on Compliance (ROC) or by successful completion of the applicable PCI DSS Self-Assessment Questionnaire (SAQ) or Report on Compliance (ROC), as applicable, and if applicable to your business, passing quarterly network scans performed by an Approved Scan Vendor, all in accordance with card organization rules and PCI DSS. Use of the Data Protection will not, on its own, cause you to be

compliant or eliminate your obligations to comply with PCI DSS or any other Card Organization Rule. You must also ensure that all third parties and software that you use for payment processing comply with the PCI DSS.

- (c) You must deploy Data Protection (including implementing any upgrades to such service within a commercially reasonable period of time after receipt of such upgrades) throughout your systems including replacing existing Card numbers on your systems with Tokens. Full Card numbers must never be retained, whether in electronic form or hard copy.
- (d) You must use the Token in lieu of the Card number for ALL activities subsequent to receipt of the authorization response including, settlement processing, retrieval processing, chargeback and adjustment processing and transaction reviews.
- (e) If you send or receive batch files containing completed Card transaction information to/from us, you must use the service provided by us to enable such files to contain only Tokens or truncated information.
- (f) You must use truncated report viewing and data extract creation within reporting tools provided by us.

Programming, development and maintenance of Your Systems and their functionality are your sole responsibility. You have the sole responsibility to select and employ any competent programming agent(s) to accomplish the programming required to make Your Systems function correctly with the Platform and the payment services contemplated hereunder ("Integration"). You shall be responsible for all technical support for Your Systems and Integration related issues. You agree that you will use commercially reasonable efforts to complete the Integration as soon as possible. You will be responsible for all of your own development and implementation costs associated with such Integration. In addition, you acknowledge and agree that, even if you have completed Integration, if you have not entered into a valid merchant processing agreement with an authorized bank card processor, you cannot receive the Services through the Platform.

We will make commercially reasonable efforts to provide prior notification to you of any such proposed suspension and provide you with a reasonable opportunity to cure, provided just you (and no other user) are affected, and provided such cure is allowed by the applicable law or the Card Organization Rules. If prior notification to you is not possible because such significant activity or security issue would materially and adversely affect other users of the Platform and Services, then we will provide notice of such suspension as promptly as possible thereafter with detailed information regarding the suspected fraudulent activity or security issue, as well as any other information that can assist you with identifying the root cause of the problem responsible for such suspension. Upon a determination by us that you are not responsible for the fraudulent activity or security issue resulting in the suspension or any security threat as abated, the Services and your license to the Software shall be promptly re-activated and the Services under this Section 40 shall recommence. Unless required by law, Card Organization Rules, or done pursuant to this Agreement, you shall not, under any circumstances, sell, purchase, provide, or otherwise disclose any customer's account information, transaction information, or other personal information to any third party. You shall store all data securely. We may advise potential users of the services that we have a relationship with you.

We are not responsible for any data entry errors, Customer misrepresentations, or reporting errors resulting from your actions. We shall not be liable to you or your Customer for the accuracy of the information provided by the Platform or our Services.

40.10.2. In no event shall we be liable to you, or to any other person or entity, under this Section 40, or otherwise, for any punitive, exemplary, special, incidental or consequential damages, including, without limitation, any loss or injury to earnings, profits or goodwill.

40.10.3. Notwithstanding any provision in this Agreement to the contrary, in no event shall our liability under this Section 40 for all Claims arising under, or related to, this Section 40 exceed, in the aggregate (inclusive of any and all Claims made by you against us, whether related or unrelated), the lesser of: (i) the total amount of fees paid by you for the our Services during the 12-month period immediately preceding the date the event giving rise to such Claim(s) occurred; or (ii) \$50,000.00.

TELECHECK SOLUTIONS AGREEMENT

I. Services

TeleCheck will provide Company with the services indicated in the TeleCheck Services Application and Agreement (**TeleCheck Application**) which may include: (i) coded information that it may use when deciding whether to accept a check or electronic funds transfer item (each an **Item**, and together, **Items**) when provided by its consumers as payment, (ii) settlement processing services and (iii) warranty or verification services; all as described in this Agreement (together, **Services**). TeleCheck will be Company's exclusive provider of the Services during the Term (defined below) of this Agreement. Company agrees to the terms of this Agreement by signing the TeleCheck Application; clicking "Accept" or "Install" when presented via an App (as applicable and described below); or using any of the Services. Company acknowledges that the Specialty Items (Settlement Only) service does include receiving coded information, warranty or verification services.

I.1. Delivery by Application. If the TeleCheck Services are provided through TeleCheck's check acceptance application (**App**) that resides on a Clover® point of sale device (a **Device**), Company agrees that this Agreement will govern Company's access to and use of TeleCheck's Services on such App. Company's use of its Device is subject to its agreement with the supplier of the Device (and not TeleCheck), and this Agreement does not alter Company's agreement with its Device supplier. Company will comply with the terms of its agreement with the Device supplier; and warrants that it is authorized to install and use TeleCheck's App on the Device.

I.2. Submitting Items. Company will designate the types of Items it accepts and that it will submit to TeleCheck for processing under this Agreement as indicated on the TeleCheck Application. Company must submit the Item to TeleCheck through the appropriate service. For example, checks presented in person by consumers at Company's point of sale can only be submitted through the In-Person Warranty (or Verification) service, checks sent through the mail to Company can only be submitted through the By Mail/Drop Box service. Company will submit all of its designated Items to TeleCheck for processing under this Agreement. Except for Items processed through the By Mail/Drop Box service, TeleCheck will analyze each Item that Company submits for processing and, in its discretion, provide Company with an approval or decline code with respect to each Item. TeleCheck will give Company operating guidelines and specifications, as applicable, to assist Company with properly accepting and submitting its Items for processing (operating guidelines and specifications may be provided to Company electronically or made available via the internet).

I.3. Information Warranty. If Company has selected a warranty service in the TeleCheck Application, TeleCheck warrants the accuracy of the information given in its approval code (the **Information Warranty**) when an Item meets the warranty requirements described below. Items that satisfy TeleCheck's Information Warranty and meet the corresponding warranty requirements are **Eligible Items**. TeleCheck will purchase Eligible Items that are subsequently dishonored, returned, reversed, or otherwise not paid by a consumer's financial institution (these Items are **Return Items**). Company's sole remedy for a breach of TeleCheck's Information Warranty is the right to require TeleCheck to purchase an Eligible Item that became a Return Item. TeleCheck's liability to Company for breach of its Information Warranty will not exceed the lesser of: (a) the amount of the Eligible Item, or (b) the Warranty Maximum set forth in the TeleCheck Service Application and Agreement. Company may accept Items that do not receive an approval code or that do not meet the warranty requirements (these Items are **Ineligible Items**); however, Ineligible Items are not covered under TeleCheck's Information Warranty and TeleCheck will not purchase them.

I.4. Warranty Requirements. Company represents and warrants that each Item it submits to TeleCheck for processing and coverage under the Information Warranty meets the following requirements:

If such in-person payment is approved as a paper check that cannot be settled as an electronic funds transfer, the additional requirements in **Section 1.4 F** below apply.

Additionally, the consumer must not have notified Company that the check was

F. Requirements for Mobile Checks or any Checks Approved as Paper Only.

If TeleCheck approves an Item as a paper check that could not be settled as an electronic funds transfer (i.e. check is to be deposited by Company) or the check is submitted to TeleCheck as an image through a mobile device (either, a **Paper Settlement Item**), the following requirements apply in addition to those in **Section 1.4 A** above: (a) the check must include the consumer's name (imprinted by the manufacturer), physical address (imprinted by the manufacturer or written on the check according to TeleCheck's operating guidelines – P.O. Paper Settlement Items and Redeposit Check Items may only be presented once for payment (TeleCheck will not accept Paper Settlement Items or Redeposit Check Items that Company or its financial institution presented for payment more than once). In addition, Company must securely store the physical check for at least 60 days following the corresponding payment transaction.

1.5. Electronic Images. If the Item is submitted to TeleCheck by Company as an image using a mobile device or other image reader, the ability to settle imaged Eligible Items to the banking system depends on (a) the quality of the image and (b) the banking system's ability to accept the image for settlement processing. Company will use a third party provider to capture images of Items using a mobile device (this third party, an **Image Vendor**) and submit those images to TeleCheck. Company acknowledges that its Image Vendor will require some of Company's account information (including, without limitation, merchant account number, contact name, email address and device identifier) to submit Item images to TeleCheck; and authorizes TeleCheck to provide the Image Vendor with the information necessary to allow it to submit Item images to TeleCheck on behalf of Company. TeleCheck is not responsible for the image quality of Items submitted through Company's Image Vendor, or submission of the images by Company's Image Vendor to TeleCheck. Company will destroy the physical checks that were submitted as electronic images after storing them securely for at least 60 days.

1.6. Authorization. Company will maintain a copy of each consumer's Authorization for the longer of: (a) 2 years, or (b) the period of time required by the Nacha Rules. Company will provide TeleCheck with legible copies of Authorizations within 7 days of TeleCheck's request for them.

1.9. "Goodwill" of an Ineligible Item. TeleCheck may elect to provide warranty coverage for an Ineligible Item that Company submits for processing. Providing warranty coverage for an Ineligible Item will not constitute a course of dealing, waiver of rights, or prevent TeleCheck from rejecting warranty coverage for any other Ineligible Items.

1.10. Updating Information. Company will promptly notify TeleCheck if (a) a consumer makes any payment to Company or returns any goods in connection with a Return Item that is subject to warranty coverage, or (b) Company cancels any services paid for by an Item that is subject to warranty coverage; both representing a full or partial satisfaction of the Return Item. There will be no payment to Company for any loss from transactions processed through the Non-Warranty Services. Company assumes all risks that Items accepted by Company may result in Return Items. Company will be fully responsible and liable to TeleCheck for all Return Items, regardless of the reason or timing. TeleCheck will deduct or offset all Return Items against any amounts to be paid to Company for Items to be settled under this Agreement or, alternatively, TeleCheck may initiate debits to Company's Settlement Account (defined in Section 3.1 below) for all such Return Items.

2.2. Representations and Warranties. Company represents and warrants that each Item submitted under any of the Non-Warranty Services complies with the following, (a) the Item was submitted to TeleCheck in accordance with the TeleCheck's operating guidelines and specifications, (b) the consumer authorized debiting its account by electronic funds transfer or remotely created check for the amount of the Item in accordance with in accordance with the TeleCheck's operating guidelines and specifications and Nacha Rules including, without limitation, providing any necessary notices to consumer (not applicable to the Specialty Items (Settlement Only) services) and (c) the requirements in **Sections 1.4. B., C. and D** (as applicable to the type of Item presented) have been complied with.

3.1. Company will identify one or more bank accounts held in its name (each, a **Settlement Account**) that TeleCheck will use in connection with the Services. Company authorizes TeleCheck to (a) initiate credits to the Settlement Account for proceeds that correspond to Company's transactions; (b) initiate debits to the Settlement Account for any amounts that may be owed or are required to be paid under this Agreement; (c) initiate the transaction to a consumer's deposit account on Company's behalf for Items that are owed to it; and (d) initiate adjustments related to the foregoing (including, without limitation, adjustments for chargebacks or partial adjustments). TeleCheck may initiate any transfer by Automated Clearing House (**ACH**) entry.

TeleCheck will initiate a funds transfer for Company's transactions that were processed under this Agreement; less any amounts due from Company for fees, refunds, adjustments or its other obligations. TeleCheck will typically credit Company's settlement funds to its Settlement Account within 2 banking days once the transactions are finally submitted to TeleCheck for settlement processing.

3.3. TeleCheck may recover amounts associated with any adjustments for an Item that are made to the Settlement Account at Company's request or due to its error. TeleCheck may also recover amounts associated with any fees that a consumer paid to its financial institution because of these adjustments.

3.4. Company must promptly notify TeleCheck if it fails to receive any settlement funds or if there are any changes to the Settlement Account. Transfer of settlement funds may be delayed or misdirected if Company provides inaccurate information about, or fails to notify

TeleCheck of changes to, the Settlement Account. TeleCheck is not responsible for settlement errors that arise if Company provides inaccurate information about, or fails to notify TeleCheck of changes to, the Settlement Account.

4. Financial Information

Company will promptly provide any financial or other information reasonably requested by TeleCheck to perform credit risk, security, qualification, and other reviews related to providing the Services, transactions submitted, fulfillment of obligations to TeleCheck, or the financial condition of Company. Company authorizes TeleCheck to obtain information from third parties when performing credit risk, security, qualification, and other reviews.

5. Notice of Material Changes

Company will provide TeleCheck with reasonable advance notice of any material change in the nature of Company's business (including, without limitation, any change to Company's operations that would materially affect its products sold, services provided, or the procedures it follows for payments acceptance). The failure to provide TeleCheck with this notice constitutes a material breach of this Agreement.

6. Company's Payment Obligations

Fees. Company will pay TeleCheck for: (a) all fees and charges for the Services that are set forth in the TeleCheck Service Application and Agreement; (b) all Items that are charged back; (c) all adjustments required in connection with Company's transactions; and (d) all costs, liabilities, or other obligations imposed on TeleCheck by third parties as a result of transactions submitted by Company, its actions, or inactions.

6.2. Early Termination Fee. TeleCheck will suffer substantial injury, for which it would be difficult to determine damages, if Company breaches this Agreement or terminates it early in violation of the Agreement's terms. TeleCheck may recover damages equal to 90% of the aggregate Monthly Minimum Fees and Monthly Processing Fees that are payable for the unexpired portion of the then-current Term as an accurate reflection of these damages and realistic pre-estimate of TeleCheck's losses caused by an early termination of this Agreement.

7. Reserve

7.1. TeleCheck may require Company to fund a cash reserve (**Reserve**) in an amount that reflects TeleCheck's assessment of risk, as it may determine in its discretion from time-to-time. The Reserve is a payment obligation of TeleCheck, established by holding back transaction proceeds or debiting the Settlement Account in order to potentially offset any obligations that Company may have to TeleCheck. The Reserve is not a segregated fund that Company may claim to own. TeleCheck is obligated to pay to Company any amounts remaining from the Reserve after all other then-current and contingent liabilities or obligations related to Company's payment transactions have expired.

7.2. The obligations due to Company from the Reserve will not accrue interest unless required by applicable Laws.

7.3. TeleCheck will notify Company if a Reserve is established (including its amount) or if the amount of the Reserve is modified.

7.4. TeleCheck may set off any obligations that Company owes to TeleCheck from the Reserve.

TeleCheck have a security interest in the Reserve and, at TeleCheck request, will provide documentation to reflect this security interest.

Company must review the Statements and inform TeleCheck of any errors within 60 days following the date that the error was, or should have been, reported; provided, Company must report settlement or funding errors to TeleCheck within 30 days (reporting errors will enable TeleCheck to recover amounts or prevent them from continuing). TeleCheck will have no obligation to provide refunds for errors that Company reports more than 60 days or 30 days (as applicable) after the errors were, or should have been, reported. Company and TeleCheck will work together to resolve issues or disputes that arise in connection with the Statements, or the funds credited or debited to the Settlement Account.

The length of this Agreement's initial term is designated in the TeleCheck Services Application and Agreement (**Initial Term**).
